ESTABLISHED 1833. FORT WAYNE, IND., FRIDAY, OCT. 11, 1901. PRICE TWO CENTS

ONE MORE MONTH

WILL BE NEEDED TO FINISH SCHLEY INQUIRY.

LEMLY HAS MANY WITNESSES

CANNOT COMPLETE GOVERNMENT'S CASE THIS WEEK.

RAYNOR NEEDS A MONTH

TO PRESENT THE SIDE OF ADMIRAL SCHLEY.

Washington, Oct. 11.—Captain Lemly had supposed that he would be able to conclude the presentation of the government's side of the Schley case by the close of this week, but he now finds that he will still have several witnesses on his list when the court adjourns tomorrow.

In all probability he will consume the greater part of the first half of next week.

Mr. Raynor estimates that the court will not be able to conclude its work before the middle of November.

When the court was called to order Captain Lemly made a brief explanation of one of his statements of yesterday concerning the statement received from Commander Marix. He had said that the statement was "unsworn."

"I would like it to appear," he said, "that, although they are sworn, they are not, being in the shape of depositions and exparte, such sworn evidence as is usually admitted before the court, but came in with their full value merely because there was no objection on either side."

The witnesses today were examined chiefly as to the blockade and the bombardment of the Colon. Among the witnesses was Lieut. P. G. Dewey, a nephew of Admiral Dewey. He was a watch officer on the Massachusetts and testified concerning the bombardment of the Colon.

Capt. E. F. Chadwick, who commanded the New York, and was Admiral Sampson's chief-of-staff, was called as a witness in the Schley court this afternoon. He testified concerning the code of signals arranged by Captain McCalla with the Cuban insurgents at Cienfuegos, of which he said Captain McCalla had informed him upon his arrival at Key West on May 19, 1898. He said he could not recall to whom he had communicated the code; that he had not informed Commodore Schley, because Captain McCalla was to return immediately to Cienfuegos, where Admiral Schley was stationed.

Captain Chadwick recalled a conversation he had heard between Admiral Sampson and Commodore Schley at Key West, in which Commodore Sshley had told the admiral that he was glad to be under his command and assured him that he would be entirely loyal to him.

Captain Chadwick also said he had heard Commodore Schley tell Admiral Sampson after the latter's arrival at Santiago that it was impossible to blockade the Spaniards at Santiago if they desired to come out.

WRECK AT THE RIVER BRIDGE

PENNSYLVANIA FREIGHT IS IN SMASH-UP.

Broken Axle Derails Several Cars and Two of Them Go Into the River.

A wreck, in which eastbound freight train No. 70 and a westbound extra freight on the Pittsburg were badly mixed up, occurred at 2 o'clock at the St. Mary's river bride. An axle under one of the cars of No. 70 broke and derailed several cars and at the same time the extra train came along and some of the derailed cars were thrown over against it, derailing some of the latter's cars. Two of the cars were thrown over the bridge railing into the river, and will be total wrecks. Fortunately none of the crew were injured. The wreck crew is now at the scene, clearing the tracks, both of which are completely blocked. The cars which went over the bridge were loaded with merchandise and their contents were badly damaged by water.

OUTCRY AGAINST BULLER.

London, Oct. 11.—The storm raised by General Buller's remarkable outburst yesterday continues to grow. The speech is the one topic of discussion and there is general anticipation that disciplinary measures will follow unless General Buller himself takes the advice of such a conservative supporter of the government as the Standard and resigns. The tone of the press is generally of one surprised amazement at his indiscretions. The people of England have generally stuck to him throughout, and his and his wife's social influence has been most powerful and has even reached the court. It had been decided that he would be elevated to the peerage on the next honor list, but it is now doubtful if, after yesterday's confession that he advised the surrender of Ladysmith, "a humiliation compared with which," as the Standard says, "all other reverses of the war would have been trivial," either the king or the people will continue to favor him.

FROM ALL OF THE DELEGATES

SECRETARIES ARE ELECTED BY LUTHERAN COUNCIL.

Report on Missions is Heard by the Session at Lima—Work in Porto Rico.

Lima, Ohio, Oct. 11.—At the biennial session of the grand council of the Lutheran church of North America today President Ransen held that secretaries should be elected from all the delegates in the convention. The ballots were then prepared for both corresponding and recording secretaries in German, English and Swedish.

While the tellers were counting the vote Rev. Ashley. Shager, of Philadelphia, chairman of the board of foreign missions, read the biennial report, which showed that missions are being carried on in India and Porto Rico. There are seven principal stations in India, all in the Madras presidency. There are five missionaries, more than one hundred teachers and two native preachers. Arrangements are being made for the erection of a hospital for women in the Rajatmundry and more than $4,000 has been collected by the missionary societies of Philadelphia. In the India missions there are more than 5,000 Christians and 500 children attending Sunday school, and more missionaries are necessary to properly care for the work.

The two papers published by the board, the Missionary Bote and the Foreign Missionary, are in a prosperous condition. The work in Porto Rico has been carried on since 1899, when two men were sent there. There are now three in the field in San Juan and Catans. In the former an English congregation has been organized and in the latter church and Sunday schools are conducted in Spanish. Efforts are now being made to secure grounds for churches. This report elicited discussion regarding the administration of foreign missions, which was in progress when the noon recess was taken.

Following recording secretaries were declared elected: English—Dr. S. E. Ochsenford, of Allentown, Pa. German—Rev. G. C. Berkmeyer, of Mount Vernon, N. Y. Swedish—Rev. F. A. Johnston, of Chicago.

BUT ONE WARRANT NOW OUT

FOR THE ARREST OF WILLIAM MEYER.

Was Given to the Sheriff This Morning—Mr. Meyer is Not at Present in City.

The affidavit of I. Mautner, charging William Meyer with the embezzlement of $500, money deposited by him with the defendant as president of the Western association, was given by Justice Tancey to Sheriff Stout this morning, but this afternoon the sheriff had not been able to serve the warrant for Mr. Meyer's arrest. From the best information obtainable at the sheriff's office Meyer left the city at 2 o'clock this morning, and has not been seen or heard from since.

Mautner's affidavit was filed with the prosecuting attorney yesterday morning. Late yesterday afternoon it was given to the justice of the peace, and this morning the sheriff received the warrant for the arrest after the bird had flown.

C. J. Strobel, of Toledo, also made affidavit, but, according to the Toledo Times, he had a talk with Meyer on the eve of his departure, and his heart was melted. At Defiance he got off the train and wired the authorities here to withdraw the charge. The affidavit of Walter Wilmot charging Meyer with embezzlement is expected at any time. His claim has been presented through I. Mautner.

DUE TO PTOMAINE POISONING.

Dr. MacBoth has completed an analysis of the food used at supper Sunday evening at the residence of Mr. and Mrs. Robert Hood, 25 West Jefferson street, when the family, together with several boarders, became ill, and finds that the sample of milk submitted to him contained ptomaines, no poison of any kind appearing in the other samples of food. The persons who were ill have all recovered.

NEWS NOT SO GOOD

ADVICES OF MISS STONE ARE NOT REASSURING.

COMES FROM SPENCER EDDY

STATE DEPARTMENT IS VERY RETICENT.

TROOPS SEARCH VILLAGES

ONE OF THE LEADERS OF THE BANDITS SLAIN.

Washington, Oct. 11.—The state department has heard again by cable from United States Consul General Dickinson and Secretary of Legation Spencer Eddy, touching the progress of the negotiations looking to the release of Miss Stone. None of the details were made public, however, and all that can be gathered as to the status of the case is that the conditions are by no means as reassuring as were expected yesterday.

VILLAGES SEARCHED.

New York, Oct. 11.—Three battalions of the Bulgarian infantry regiment marched through the country between Dubnitza and Samahov and searched the villages of the Riloklosters district, in one of which it was reported the brigands had concealed Miss Stone, says the correspondent of the Journal and Advertiser. Colonel Gaschoff, at the head of a searching party composed of 300 Bulgarian infantry and 500 dragoons, is scouring the ranges of Dospat and the Rhodopegelbirgen. The American consul general at Constantinople has arrived at Sofia with an Evangelical pastor from Philipolis, as dragoman, and both are taking energetic steps with the Bulgarian government to effect Miss Stone's release. The reputed leader of the gang who killed Stambouloff has met his fate. Suspected of being associated in the capture of Miss Stone, he was shot dead on the frontier near Kostendit.

Though £100,000 reward had been placed on the head for the murderer of Stambouloff, Hallo, the name under which he was known, was too influential a ruffian for the Bulgarian police to arrest.

Four additional brigands have been captured near Tschepino and a band of twenty fully armed, were discovered near Dubnitza and driven into the mountains again.

CANADA MAY CHALLENGE.

New York, Oct. 11.—The impression deepens that Canada may make the next try for the America's cup. A special to the Tribune quotes the Ottawa Citizen, summarizing the whole story as regards Canadians trying for the cup, in these words: "Canada's manifest destiny is to send over a yacht to lift that America's cup, which has proved too hefty for pa. Canadian yachtsmen can beat Americans on the rivers and great lakes. Why should they not beat them on the ocean? It is worth trying for and we believe the money could be easily raised to put a Canadian yacht in the race for the America's cup."

NEELY TRIAL IS BEGUN.

Washington, Oct. 11.—The war department is informed that the trial of C. F. W. Neely, on charges of misappropriation of postal funds in Cuba, is now in progress. No law officer of the United States government is engaged in the case, although testimony and depositions taken in this country have been forwarded to the prosecuting officer in Havana. Additional testimony in the case was sent yesterday.

MACHINE GAVE OUT.

Paris, Oct. 11.—Santos-Dumont, the Brazilian aeronaut, made another attempt today to win the Dutch prize, but, owing to an accident to the rudder of his flying machine, he was obliged to return to the starting point after flying fifty yards.

TWO MEN KILLED.

Bay City, Mich., Oct. 11.—Two men were killed and three badly injured this afternoon in the chemical works at Essexville, a village near here.

FOUR KILLED IN WRECK.

Los Angeles, Cal., Oct. 11.—In a head-end collision between a lemon train and a work train on the Colgrove branch of the Santa Monica electric road today, four men were instantly killed and seven injured, five seriously. The accident occurred on a steep grade half a mile east of Sherman. The rails were wet from a fog and a curve shut off the sight of the work train until it was only a few yards distant.

MISSING WOMAN FOUND.

Detroit, Mich., Oct. 11.—What was considered the most important clue to the identity of the woman's body found in the woods near Royal Oak last Sunday was destroyed today when Lizzie effreys, of Appin, Ont., was located in a private hospital in this city alive. She had been missing from Birmingham, the next village to Royal Oak, for several months, and when the badly decomposed body was dug from its shallow grave efforts were immediately begun to identify it as Lizzie Jeffreys. In fact her father and brother had identified the body last night before they heard that a letter had been received from the missing girl dated Detroit. The Royal Oak officers are now absolutely at a standstill in their efforts to identify the body.

GEORGE DOLINSKI HANGED

CHICAGO MURDERER PAYS EXTREME PENALTY.

End of a Remarkable Case—Loved Wife's Sister and Slew Her Husband—Loyal Wife.

Chicago, Oct. 11.—George Dolinski, convicted of murder, was hanged here today.

The crime for which Dolinski paid the extreme penalty was the murder of his brother-in-law, Anton Lisle, a year ago. Dolinski became infatuated with Mrs. Lisle, who was his wife's sister. That his clandestine wooing might not be interfered with Dolinski sent his wife on a visit to her parents in the old country. Lisle, however, became suspicious. November 27 the two men met in a pasture north of Irving park. When the police found Lisle's body there were four bullet wounds in it and the throat was cut. Dolinski was arrested, but declared that he and Lisle had quarreled about money matters and that he had been compelled to shoot his brother-in-law in self-defense. The evidence against Dolinski, which was circumstantial, was sufficient to convince the jury that murder had been done in order that Dolinski might marry Mrs. Lisle. Meanwhile Mrs. Dolinski in Europe heard that her husband had been arrested, but the report said that it was for her own murder. Supposing that she could get him out of his predicament by appearing and thus disproving the charge that he had killed her, Mrs. Dolinski, with her infant, hurried back across the Atlantic and arrived in Chicago, only to discover the real state of affairs. She did not abandon her husband, however, but did all in her power to aid him. She visited him in the jail yesterday and when she learned that the supreme court had refused to grant a supercedeas she fell in a faint. Dolinski made his last confession to Father Rapouse yesterday and spent the night in a barber chair, alternately dozing and gazing at his image in a mirror.

STAYED TWO DAYS

THEN HE DISAPPEARED AND IS YET ALIVE.

HUSBAND OF MRS. WITWER

IS THE ONLY ONE OF FIVE NOW ON TOP OF EARTH.

WIFE WAS ALLEGED POISONER

SHE SECURED DIVORCE WITH CASH OF A VICTIM.

Dayton, Ohio, Oct. 11.—A dispatch from Middletown, Ohio, says the fact has just been developed that Mrs. Mary Belle Witwer, suspected of being a wholesale poisoner, has had five husbands instead of four. John Williams, whose name has not heretofore figured in the affair, left two days after the marriage ceremony had been performed and is the only one of the five husbands living. His present whereabouts are unknown. Mrs. Witwer secured a divorce from Williams on money furnished by Frank Brown, a Middletown paperhanger, who died some time after his marriage to Mrs. Witwer, according to a story related by a son of Mr. Brown.

CALL ON PRESIDENT.

Washington, Oct. 11.—There were few callers at the white house this morning before the cabinet assembled at 11 o'clock. Acting Secretary Adee presented the Colombian minister and Gen. Rafael Reis, formerly Colombian minister to France, now vice president of the republic. The latter spoke briefly to the president of the importance of the approaching Pan-American congress in the City of Mexico, in which he said he thought the United States would be the guiding spirit. Senator Mason, of Illinois, who returns to his home today, called to assure the president that the report that he intended to fight the new canal treaty was entirely erroneous. To the president Senator Mason expressed the hope that the new treaty would be entirely satisfactory. Among the other callers were the Peruvian minister, who was received in the blue parlor; General Deyerforth, commander-in-chief of the Union Veteran union, who invited the president to attend the grand encampment of that organization, which will be held at Chicago October 22 to 25.

STORM IN WESTERN IOWA.

Omaha, Neb., Oct. 11.—Additional reports regarding yesterday's storm in western Iowa show that it was general and that a number of towns were more or less damaged. No loss of life has been reported. At Villisca several buildings were badly damaged. At Shenandoah the deluge of rain following the wind caused the Nishnabotna river to spread over two miles of bottoms, covering the Burlintgon track and washing out the ungathered crops. The storm passed within two miles of Clifton, Kas., leaving a track from forty to eighty rods wide in which timber, fencing and even houses were swept clear. The house of L. C. Hoar, a farmer, together with the outbuildings, was carried away. The family escaped by taking refuge in the cellar.

DISSENSION AT WATERLOO.

The Waterloo town council recently awarded the contract for a water and light plant to the Olds Construction company, of this city, and lately a number of Waterloo citizens have been agitating for an injunction suit to restrain the Olds company from erecting the plant. The machinery is to be put in the city hall and the kickers claim that the noise of the machinery would disturb public meetings there. The Olds company will commence operations on October 20th providing no injunction suit is filed.

Victoria, B. C., Oct. 11.—H. M. S. Amphion, the second largest ship on the Pacific station, has been ordered to Panama by the British admiralty to look after British interests there during the progress of the rebellion. One ship, the Icarus, is already there.

VALUABLE DOG POISONED.

Frank J. Perrey, of Union street, reported to police headquarters this morning that his valuable hunting dog had been poisoned. He said that he had a well defined idea as to who administered the poison, but the superintendent informed him that unless he was in a position to file an affidavit nothing could be done in the matter.

WILL COME TO FORT WAYNE

NEXT CONFERENCE OF GERMAN LUTHERAN MINISTERS.

Local Clergymen Were Prominent Upon the Program at Lafayette Thursday.

The conference of German Lutheran ministers and teachers, which held its closing session at Lafayette on Thursday, voted to hold its next meeting in Emmaus church, Fort Wayne.

Rev. Luehr, of Zion's church, preached the Wednesday evening sermon, and at the Thursday morning session considerable time was spent in the discussion of the educational work carried on by the congregation and of the schools at Fort Wayne, Ind., and Addison, Ill. A paper was read at the meeting on "Duties of a Pastor at Funerals and His Proper Conduct at Conferences and Synods" by Rev. Prof. Crull, of Fort Wayne college. The paper was well prepared and very interesting. It was followed by a discussion at length by the divines present.

FINAL CENSUS REPORT.

Washington, Oct. 11.—The final census report on the population of the United States by sex, nativity and color was issued today.

It shows that the males number 39,059,242, or 51.2 per cent of the total population in 1900.

The increase of 13,233,631 in total population since 1890 is made up of 6,744,179 males and 6,489,452 females, an increase of 20.9 of males and 21.1 of females.

The foreign born element have increased only 12.4 per cent and the native population 22.5 per cent since 1890. As to color and race the population in 1900 comprises 66,990,802 white persons and 9,312,585 colored persons, the latter comprising 8,840,785 persons of negro descent.

The colored element as a whole shows an increase of 17.8 per cent since 1890.

ADMIRAL SAMPSON BETTER.

Washington, Oct. 11.—Medical reports indicate that Admiral Sampson is recovering from the fatigue of his journey south and that the more favorable surroundings of his present home are working for his betterment. Beyond a little added brightness in his bearing, however, it is stated that his condition remains practically unchanged. The intense headaches from which he suffers recur less frequently than heretofore and this in itself is a great relief to him. The admiral continues to take short walks, accompanied usually by Mrs. Sampson. The principal obstacle in the treatment of his case is said to be a great constitutional weakness, which makes it impossible for his system to respond to the physician's treatment. Recurring periods of absolute forgetfulness also have a depressing effect upon the patient.

GAVE A BAD CHECK.

Mrs. Elizabeth Malot, a boarding mistress at No. 60 Barr street, would like to shake hands with Mr. and Mrs. Cole, who enjoyed the privilege of her house and table last week. On Saturday evening Mr. Cole paid his board bill with a check drawn on the Union bank at Jackson and signed by J. H. Ellis & Co. The check was for $20 and Mr. Cole received thirteen good dollars in change. On Tuesday the check came back dishonored and Mr. and Mrs. Cole have been missing since Monday.

HARRY O. WINNER

FORT WAYNE HORSE TAKES FREE-FOR-ALL PACE.

WON LAST HEAT IN 2:07 1-2

ANOTHER LARGE CROWD AT THE TRACK TODAY.

PROGRAM IS GOING OFF FAST

GOOD DAY'S CARD OFFERED FOR TOMORROW.

Harry O, the fast Centlivre horse, won the free-for-all pace today, unfinished from yesterday. The race was called at noon today, with two heats to the credit of Harry O, two to Sherman Clay and one to Edith W. The Bishop was drawn today. Harry O was in trim and gave his company something to do and the crowd the worth of its money. He won the heat and the race in 2:07½. Edith W was second and Sherman Clay third, the money going as follows: Harry O, Edith W and Sherman Clay.

In the first heat of the 2:16 class trotting Mailborn was first, Dr. Price second, Eddie L third, Brash fourth and Jean fifth. Time, 2:16.

The first two heats of the 2:15 pace were won by Milo S and Frank was second in both. Time, 2:11¼ and 2:11½.

The crowd is large today, but not up to the record-breaking size of yesterday. An ominous sky has served to deter many from going. The track is in good condition.

THURSDAY'S RACES.

Secretary Fleming says that he can show by the books of the old association that yesterday's was the largest paid crowd that ever attended a race at the driving park. That's a pretty tall assertion, but Mr. Fleming said it is absolutely correct and truthful. There were between five and six thousand people present, and they were well repaid for their attendance. There was only one expression of dissatisfaction and that was at the failure to pull off the running race. Running races were advertised as one of the drawing features of the meeting and they certainly proved a great attraction at the gate, but up to this time the association has not kept faith with the people who paid their money to see the show. On the first day the judges, evidently forgetting that the sun sets earlier in October than in July, carried the hoppers over until darkness settled so fastly that the horses could not be distinguished on the other side of the track. Yesterday, although there were three half hour waits between heats when the runners could easily have been gotten away, the time was killed in some other way, and after the last heat of the unfinished free-for-all was off and lanterns and searchlights were necessary to move about the grounds, the judge announced that the running race would be postponed until today.

The event on yesterday's card was the free-for-all pace, in which Harry O, of the Centlivre stables, was entered. He had for company Edith W, the fastest mare in the world; The Bishop, who gave Edith W a chase last week at Terre Haute, and Sherman Clay, an outsider that was not supposed to be good for even a sight at the money. Edith was the favorite, but the Centlivre horse was freely backed. The first heat was won by the mare in 2:07½, Harry O being right along side of her, and both were pulling hard and under a free whip, The Bishop coming third and Clay an indifferent fourth.

In the second heat the start was good with the mare having a little the best of it. The horses went under a blanket to the quarter, when Edith let out and took a lead around into the stretch. Then there was some great teaming and when Harry O, under a terrific push came in a nose ahead of The Bishop and Edith W in third place the crowd came near going straight up, and this enthusiasm was increased when the starting judge announced that the time was 2:06¾, just a quarter of a second slower than the track record made in 1898 by Roy Wilkes, and the fastest ever made at home by a Fort Wayne horse. The result of this heat made the Centlivre horse strong on the board and the bookies were a trifle wary about taking too much of his money, and their judgment was well founded, for in the third heat Harry O repeated his performance so far as getting under the wire first was concerned, but the time was six seconds

HARRY O. WINNER

(Continued From First Page.)

slower, a fact that can be explained only by the fact that when the horses came down to score the second time none of them was on his stride and the drivers did not expect to get away; Starter Newton fooled them, however, and sent them away so unexpectedly that they were almost to the quarter before they had their horses going in the race.

The fourth heat developed the surprise of the day and long before the word was given the wise ones knew that there was something doing. Haywood, the driver of Sherman Clay, was called to the judges' stand and fined $25 for unfair tactics in scoring and was obliged to pay his fine before he got back into the sulky; another score was made without a get-away and Judge Newton thereupon announced that he would fine any horse who came down ahead of Harry O and would fine Harry O $25 if he didn't stop them down. That made business good and on the next score they got the word although several were ahead of the pole horse. Sherman Clay, who was a 50 to 2 shot on the board was backed down to 4 to 2, and the block man was not looking for any of his money at that. Clay had been trailing in all the time, and just to show that he did not win by accident he made the other fellows come down in 2:08¾, and he seemed as fresh as a daisy when he went back to the stable. When the horses came out for the fifth heat it was very dusk. They got away well, but could not be seen on the back stretch. Coming to the wire they made a rattling finish, Sherman Clay crossing right ahead of Harry O, The Bishop next and Edith W last. Had the race been finished there is scarcely any doubt but that Sherman Clay would have taken the race, as he showed wonderful endurance, while the other horses, with the exception of Harry O. seemed all in.

The unfinished 2:24 trot carried over from Tuesday was the first number and was called at 12:30, starting promptly at 1 o'clock. Conna, the favorite, who had two heats and should have had the third on Tuesday but for an accident, left the field and won easily in 2:16¼.

In the 2:24 pace the race went to Bourbon in straight heats. He was not a factor in the betting before the race and was not on the entry list, although his entry was proven fair. He was never an easy winner and in each heat simply managed to push his nose under the wire ahead of anybody else.

The 2:20 trot was a walkover for Marlinspike. The first heat was won by Mexican Boy, Red Greenlander, the favorite, coming second and Marlinspike third. The judges announced that all bets were off on that heat owing to the fact that Marlinspike was not driven to win. That the judges were fairly on to their job was developed in the next three heats, which Marlinspike won without much trouble. Greenlander, the favorite, came in second in each of the four heats and got third money for not being able to beat out Mexican Boy in the first heat. Following is the summary:

RACES GO OVER.

Owing to the wet track Wednesday it was necessary to postpone Friday's races until Saturday. All races of the week unfinished will be pulled off tomorrow. The card will be one of the best of the meet. Fort Wayne has never seen better horse races than those of this week and Saturday's events promise to be the best of them all. There is great rivalry in the 2:15 pace, as the kings and queens of that class are at the track ready for the fray.

Besides the regular program, which includes four races, there will be in all probability a couple of unfinished events. The first contest will be called promptly at 12 o'clock.

CURED OF ASTHMA.
After 35 Years of Suffering.

It will be gratifying to Ashmatic readers to learn that an absolute cure has at last been discovered by Dr. Rudolph Schiffmann. That the remedy is an effectual one cannot be doubted after perusal of such testimony as that of C. W. Van Antwerp, Fulton, N. Y., who says:—"Your remedy (Schiffman's Asthma Cure) is the best I ever used. I bought a package of our druggist and tried it and one box entirely cured me of asthma, and I have not had it since. I can now go to bed and sleep all night with perfect comfort, which I have not done before for 35 years, and I thank you for the health that I now enjoy. I hope that you will publish this letter, that others may learn of its wonderful virtues."

IN JUSTICES' COURTS.

Mack Warfield and Agnes Davis, colored people, appeared before Justice France this morning with a brand new marriage license and were united in the holy bonds of wedlock by that functionary.

Two affidavits were filed this morning in Huser's court against Jerry Grabner, an Edgerton saloonkeeper. One charged the sale of liquors to a minor and the other charged the defendant with allowing minors to loiter about his saloon. A constable went to Edgerton this morning to serve the papers and make the arrest.

Fashionable Clothing for Fall.

WE inaugurate today the most elaborate, artistic and complete exposition of new men's and boys' attire ever designed by mortal man. It excels in size any exhibit ever displayed in Fort Wayne. It excells in variety, style and quality. The colorings were never so handsome, and the cut, tailoring and finish of every garment has never been so perfect as now. The designs are correct—every new fad is represented, and they stand at the top notch of all the new fall fashions. We commend them to you for their goodness and at a positive saving in cost of fully 40 per cent.

An Advance Sale of Men's Suits and Topcoats.

At this price—ten dollars—we are enabled by our stupendous purchasing power to show you the largest assortment and intrinsically best values we ever offered. You may take your choice of a bewildering line of fancy cheviots in nobby mixtures, stripes, overplaids, black thibets, vicunas and stylish cassimeres made up in conventional, round corner sack and the popular military style with broad shoulders.

The variety of fabrics and styles among the Topcoats is almost endless. They come in all lengths and all styles that are right.

So much goodness for so little money is surprising. **$10.00**

Magnificent Garments for Fall 1901.

The line of suits and topcoats which we submit for your critical inspection at fifteen dollars, is superb. We cannot enummerate the different fabrics or patterns—there's too many. The garments are designed and put together by expert men tailors who give them character and smartness. We have the suits in all shades and all styles from the conservative sack to the snappy military cut with its swagger look.

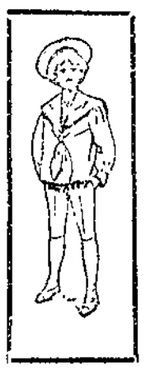
The topcoats are ultra-fashionable, very short, medium or baggy and long. No merchant tailor has yet produced their equal at $30.

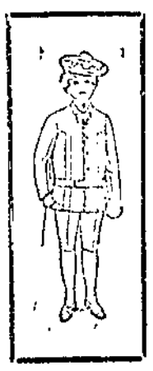
We would like you to compare them with garments now sold by other dealers.

.... OUR PRICE **$15.00**

Exceptionally Rare Chance for Boys---BOYS' SUITS AND TOP COATS FOR AUTUMN.

Never has the display been so great—the styles been so natty. There are all kinds—dark shades of olives, blues and Havana browns, made up in the Norfolk, Khaki and Russian blouse styles, the little men's vest suits and the ever popular sailors. See them—you'll find many more here than elsewhere.





Our assortment of Boys' and children's high grade Suits and Top Coats is the largest in Fort Wayne, and the best. It embodies all the newest styles, all the newer shades. The range of patterns is the most complete we have yet shown.

Prices range from $2.50 to $7.50.

We help to stretch your dollars.

Waterloo Press: "Fort Wayne can always be relied upon to get up some counter attraction the week of the Angola fair, and this week they have booked several important horse races."

A team of horses attached to the traction company repair wagon ran away on Calhoun street Thursday, and but for the pluck of Driver Tumbleson several disastrous collisions would have occurred. The horses were finally stopped on Columbia street by a truckman.

Eddie Kennedy, son of John J. Kennedy, of 80 Boone street, was kicked in the head by a horse while at play yesterday afternoon in the barn where the animal was stabled. The lad's right ear was almost torn off, and the flesh was badly bruised. Dr. G. B. Stemen attended the boy.

A Wig

You don't see very many wigs nowadays. People have been educated how to care for the hair. That's one reason. Another is, Ayer's Hair Vigor makes wigs unnecessary. Nothing its equal for feeding the hair.

"For many years my hair has come out so fast every winter that I had to wear a wig. I tried Ayer's Hair Vigor. It stopped the falling, and made my hair grow so that last winter I did not use my wig at all."

ABOUT THE CITY HALL.

The board of safety last night made some changes in the health department. Sanitary Officer Miller was removed, the other two sanitary officers retaining their positions. At the recommendation of Health Commissioner MacBeth, Drs. M. F. Schick and Clifford J. Wallace were appointed at a salary of $150 a year each as sanitary inspectors. Commmissioner MacBeth said he thought that regular physicians could fill the duties of inspector more satisfactorily than laymen and his recommendation was followed. Officer Miller was still on duty this morning and said that he had not been officially informed of his dismissal.

The board of works met in regular session last evening and transacted a lot of routine business. The city engineer submitted plans and specifications for several small sewers in the east end and in Bloomingdale and also for some alley grading. A petition asking that the Fort Wayne Traction company be required to extend its lines south on Broadway was received and filed with a similar petition received at a previous meeting. Some minor assessment rolls were approved, after which the board adjourned.

The special council committee to review the intercepting sewer assessments will hold another meeting at the city hall this evening to continue their investigations.

H. Dicke has been granted a permit to remodel his store on Lewis street at a cost of $700.

The attendance at the Red Ribbon race meet this week seems to argue strongly that Fort Wayne ought to be in the grand circuit again.

Mayor Bookwalter is starting his administration of the municipal government of Indianapolis with considerable decision and good selecton of men for office.

With Russia nourishing afresh her ancient ambitions toward Afghanistan, the necessity for maintenance of her enormous armies in South Africa must make Great Britain wish the South African question had been pursued along some other line than absolute conquest.

The British secretary of war announces, in reply to critics of the government's South African policy, that there are now over 300,000 men under arms in the field against the Boers. Yet this mighty force has proved insufficient to overcome a few straggling thousands of Boers. The war secretary's explanation does not explain why the war goes on.

Less was hardly expected of President Roosevelt than that his strong predilections for merit in public office would be displayed early in his administration. He has started admirably and has given spoils-seekers to understand that merit will cut more ice at the white house than the political pull. It is not to be doubted that the president will serve his party well on all occasions, but it is becoming clear that he will not do so at expense to the public service.

The Southwestern interurban line must, as the matter now stands, come down town over a route that no other line can use. Up to date three are three or four other interurban lines projected to this city. If they come, as doubtless sooner or later they will, how are they to be brought into the business district? The city administration and city council have in front of them a problem they will do well not to neglect. The vital interests of this city are too closely related to the interurban question to permit a lagging, indefinite or do-nothing policy to be pursued. Something must be done and the city government must have the larger hand in it. Whatever interurban lines get must come through the government. These are days of opportunity and the city cannot afford to neglect them.

From Havana comes the announcement that all is now in readiness for the trial of postal embezzler Neely. If all is in readiness, very well; but it is to be hoped there is to be no undue haste, no unseemly precipitation in the affair. If all is not in complete readiness, let time be taken until it is. There should be decorum and stateliness of movement, or there can be no majesty of the law. Neely has been under arrest only a year and a half. It may be that sufficient time has been taken to determine if there is reason for further procedure of the case and if Neely is the man who ought to be tried. There is missing from the Cuban postal funds a bagatelle of some hundred thousand dollars, and there has been purported some evidence that Neely could tell where it went. But if there is any doubt about it, the doubt ought to be fully cleared away before preparations for a trial are held to be complete. Mr. C. F. W. Neely has rights under the law that must be respected and should not be sacrificed to any public ravening for justice.

ASPHYXIATED BY GAS.

Philadelphia, Pa., Oct. 11.—Michael F. Creeman, aged thirty-six years, and his son Joseph, aged ten years, were asphyxiated by illuminating gas during last night at the home of Mr. Creeman's brother, where the victims boarded. The boy was found dead in bed this morning and his father was unconscious in a chair. He died later at a hospital. It is believed the electrical attachment to the gas fixture became disarranged, permitting the gas to escape. Mr. Creeman was manager of the publishing house of Henry Altemus & Co. and a singer of some repute.

ARCHIBALD CAMPBELL DEAD

PASSED AWAY TODAY AT THE AGE OF EIGHTY-FOUR YEARS.

John H. Rensman Succumbs to Typhoid Fever—Other Deaths and Funeral Notices.

Archibald Campbell, eighty-four years of age, died at 2 o'clock this morning at the home of his daughter, Mrs. E. P. Thomas, 100 Columbia avenue. Death came as the result of weakness from extreme age.

Mr. Campbell was a native of Scotland, where he was born in 1817. At the age of fourteen he came with his family to Canada, settling in Ontario, within a few miles of Port Huron, Mich. Here he resided until five or six years ago, when upon the death of his wife Mr. Campbell came to Fort Wayne to make his home with his daughter, Mrs. Thomas. He had been bedfast since last February, when he suffered a severe fall.

There are three sons and one daughter surviving. The remains will be taken to his old home at Strathroy, Ont., for interment, leaving Saturday morning in charge of Attorney A. E. Thomas, a grandson of the deceased.

RENSMAN.

John H. Rensman, twenty years of age, died Thursday evening at his home, 120 Fairfield avenue, after an illness of four weeks from typhoid fever. A sister is now prostrated by the same disease.

Mr. Rensman was the son of Bernard Rensman, a grocer on Fairfield avenue, and was well known. He has for some time been associated with his brother, Benjamin Rensman, in the pattern-making business at Superior street and Spy Run avenue. Surviving are the parents, two brothers and three sisters.

Mr. Rensman was a member of the Young Men's Sodality of St. Paul's Catholic church. Funeral services will be held Monday morning at 8:30 from the residence and at 9 o'clock from the Cathedral. The change is made on account of forty-hour devotion being held at St. Paul's church.

FUNERAL ANNOUNCEMENTS.

Engelbrecht.—The funeral of Miss Louise Engelbrecht will take place Saturday afternoon at 12:30 o'clock from the residence of the family in Adams township, and at 1:30 o'clock from Stock's church.

Simmons.—The funeral of Peter L. Simmons will take place from the residence of the family, 548 Lafayette street, Saturday afternoon at 2 o'clock, and will be under the auspices of Fort Wayne lodge No. 14, I. O. O. F.

THE NEWS OF THE POLICE

Jacob Oppenheimer was before Judge Louttit in police court this morning, charged with being drunk. He pleaded guilty to the charge, but was allowed to go on promise of good behavior.

Phillip Wilson, home Angola and business in Fort Wayne to see the races, was arraigned. He was charged with intoxication. He said he would have to go to jail unless the court would accept his check on the Angola bank. The judge took his word and a check for $11.

Jesse Felker came near making a successful plea for clemency on a charge of drunkenness, but went too far. He announced that he had been needlessly arrested, whereupon police officers witnessed that he had been very drunk, very boisterous and quarrelsome. He went to jail for eleven days.

No cases of pocket-picking or bunko-steering have been reported to the police this week. Superintendent Gorsline feels much gratified that race week is going off so well.

ABOUT THE COURT HOUSE

Deputy Sheriff Reichelderfer and wife left for Richmond this morning, having in charge Eva Henderson, committed to the insane asylum at that place.

In the circuit court the trial of the case of Gottlieb Brudi, of New Haven vs. the Decatur Egg Case company, is on trial before the court. The plaintiff charges the defendants with having violated a contract regarding the sale of some timber and asks for an injunction.

The case of George Richards vs. the Government Building and Loan association has been venued to the circuit court from Huntington county.

The county commissioners were today wrestling with ditch problems. For the Bauserman ditch, in Madison township, on remonstrance, Henry Rockhill, John Rapp and Jacob Barclay were appointed reviewers. For the Carnahan joint ditch, between Allen and DeKalb counties, on remonstrance, F. W. Bieke, Charles H. Parker and William Reichelderfer were appointed reviewers. For the Young ditch, petitioned for in St. Joseph township, John Boger, J. F. Werts and Rufus Loechner were appointed viewers. For the Werling ditch, in Adams township, John McIntosh, Christian Gebert and Jacob Hake were appointed viewers. For the Bishop ditch, petitioned for in Milan township, Michael Sheridan, Martin Denzel and J. H. Beuter were appointed. An amendment for the Mills ditch, in Lafayette township, was granted, and on the Vanderau ditch, in St. Joseph township, the report of the reviewers, adverse to the ditch, was approved and the ditch was not established. The Tilman ditch, in Jackson township, is being fought and it is probable that reviewers for this ditch will also be appointed before the board adjourns.

THE GAME TOMORROW.

Tomorrow afternoon at League park the Fort Wayne and Lagrange high school football teams will contest, and the game will have extra interest because of the fact that the Lagrange team will be the first eleven from out of the city to play the local high school team this season. Last Saturday Lagrange defeated Kendallville by a score of 16 to 0, and as Kendallville is known to have a strong eleven, the "rooters" will have a line on what to expect tomorrow. The high school team indulged in light practice this afternoon, so as to be in good shape for tomorrow's contest. While a trifle weak on the defensive the team is very strong on offensive work and has excellent interference. The game will be called at 3 o'clock and the high school lineup of the two teams will be as follows:

McCormick	R. E.	Schrock
Nutting	L. G.	Trimble
Ginty	R. T.	Blough
Tigar	C.	Ballou
Miller	L. G.	G. Haskins
Sweet	L. T.	L. Haskins
Olds	L. E.	Duff
Parry	Q. B.	Fruip
Wilt	F. B.	Shaplin
Preston	L. H. B.	Free
Dunton	R. H. B.	Antonides

A party of about forty surprised Mr. and Mrs. C. C. Schlatter at their home last evening, in honor of their twenty-fifth wedding anniversary. Games and music were the amusements of the evening and the hours were passed most enjoyably.

Mrs. S. Pottlitzer has returned from a visit of several months and is now at home with her sister, Mrs. Levington, 76 West Jefferson street.

Races tomorrow called at 12 o'clock.

CHIEF OF MORMONS IS DEAD

PRESIDENT LORENZO SNOW EXPIRES SUDDENLY.

Was Eighty-Seven Years Old—Known in Every Part of the Globe —Led His People to Utah.

Salt Lake City, Utah, Oct. 11.—Lorenzo Snow, the fifth president of the Mormon church, died unexpectedly at his private residence, the historic Bee Hive house, at 3:35 o'clock yesterday afternoon, after an illness that had been serious only a day. The immediate cause of death was hypostatic congestion, superinduced by aggravated bronchitis.

JOSEPH SMITH NOW HEAD.

President Snow's death caused a shock to the entire community and is deeply deplored by all classes. He was regarded as a broad-minded, generous-hearted man, who desired the upbuilding of Utah as well as the progress of the Mormon church. His death dissolves the first presidency, of which he was the head, his two counselors being Joseph Smith and Rudger Clawson. Until his successor is chosen, which may not be until the annual conference next April, the leadership of the church will devolve upon the council of twelve apostles, of which body Mr. Smith is the recognized head. Unless death should come to him in the meantime Mr. Smith will be the next president of the church.

The church leaders will probably meet tomorrow and make arrangements for the funeral.

LEAVES BIG FAMILY.

President Snow leaves a large family, the members being scattered throughout the world. All have been notified of his death. Four wives survive him. One was a favorite and lived in a palace, while the others dwelt in miserable hovels.

Lorenzo Snow was born in Mantua, Portage county, Ohio, April 3, 1814, and received a classical education at Oberlin college. He became a convert to Mormonism in 1836 and immediately began proselyting. Since then he has been one of the most active and prominent members of the church organization. He has been on numerous foreign missions, the most important being that to Great Britain in 1840, where he became president of the London conference.

In 1848, at the head of a train of 100 wagons, Snow made the overland trip from Illinois to the present site of Salt Lake City, and in all the work of founding and building up this city he was a leader. For thirty years, commencing with 1852, he was a member of the territorial legislature, chiefly as presiding officer of the upper house. In 1855, with fifty families, he founded and named Brigham City, in northern Utah, which was his home for many years. In 1866, during the agitation against polygamy, he was convicted of unlawful cohabitation and sentenced to three terms of six months each, but later was released on a writ of habeas corpus. On September 13, 1893, he was chosen as president of the church in succession to Wilford Woodruff.

REVOLUTIONISTS WIN FIGHTS.

New York, Oct. 11.—Advices from Ciudad, Bolivar, announce that the Venezuelan revolutionists commanded by General Geronimo Rivas have attacked and defeated the Venezuelan government troops under General Arostegue, near Barrancas, in the state of Bermuese, and that General Arostegui has been taken prisoner. It is further announced that the Venezuelan troops have joined arms with the revolutionists. Government troops from San Felix, commanded by General Africano, sustained a defeat near that town at the hands of the revolutionists under General Vidal. General Africano escaped to San Felix.

TWIN TROUBLES.

They are Often Together These Days —They Work Havoc All Over the Country and in Fort Wayne.

Weak, nervous, the digestion out of order—that is what ails a host of people. It comes about in this way: First, from overwork or other causes the nerves are burdened beyond endurance, nerve waste is not replaced, nerve force is weakened, then the stomach loses its nerve-controlling power, and indigestion follows with failing strength. When first Dr. A. W. Chase's Nerve Pills came to Fort Wayne people could hardly be convinced that this great medicine would remove these troubles. Now it is an accepted fact, because of their cure of every stubborn case no other medicine would influence.

Mrs. J. Lacmmle, of No. 52 Barr St., Fort Wayne, Ind., says: "From a faithful use of Dr. A. W. Chase's Nerve Pills in my house with a relative whose stomach was very weak and would hardly retain food when eaten, though hungry at all times, and the results obtained in the making strong of the stomach and indigestion again with an ability to retain food eaten, I can recommend the medicine to others affected in a like manner as reliable, safe, certain and easy of action. Meyer Bros. & Co., of 14 Calhoun St., are to be commended for introducing them."

Dr. A. W. Chase's Nerve Pills are sold at 50 cents a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.

WILL RECOGNIZE MERIT.

Washington, Oct. 11.—There was a slight falling off in the number of President Roosevelt's callers today. Representative Thompson, of Alabama, presented Capt. John B. McDonald, of the Third cavalry, who is an applicant for a brigadier generalship. Captain McDonald was wounded in the Philippines last spring while assaulting a force of insurgents under General Tino, whom he captured. Representative Thompson said the president informed him he believed in rewarding officers for exceptional service and should not hesitate, if the occasion warranted, to do so by jumping them over their superiors. Senator Dietrich, of Nebraska, talked to the president about Nebraska appointments and also briefly about the situation in the Philippines, whence he has recently returned. Senator Dietrich is of the opinion that civil government is being extended too rapidly throughout the islands. He thinks the natives who massacred the company of soldiers in Samar were refugees who had been driven out of Luzon by the military authorities.

ESTABLISHED 1833. FORT WAYNE, IND., FRIDAY, OCT. 11, 1901. PRICE TWO CENTS

ONE MORE MONTH

WILL BE NEEDED TO FINISH SCHLEY INQUIRY.

LEMLY HAS MANY WITNESSES

CANNOT COMPLETE GOVERNMENT'S CASE THIS WEEK.

RAYNOR NEEDS A MONTH

TO PRESENT THE SIDE OF ADMIRAL SCHLEY.

Washington, Oct. 11.—Captain Lemly had supposed that he would be able to conclude the presentation of the government's side of the Schley case by the close of this week, but he now finds that he will still have several witnesses on his list when the court adjourns tomorrow.

In all probability he will consume the greater part of the first half of next week.

Mr. Raynor estimates that the court will not be able to conclude its work before the middle of November.

When the court was called to order Captain Lemly made a brief explanation of one of his statements of yesterday concerning the statement received from Commander Marix. He had said that the statement was "unsworn."

"I would like it to appear," he said, "that, although they are sworn, they are not, being in the shape of depositions and exparte, such sworn evidence as is usually admitted before the court, but came in with their full value merely because there was no objection on either side."

The witnesses today were examined chiefly as to the blockade and the bombardment of the Colon. Among the witnesses was Lieut. P. G. Dewey, a nephew of Admiral Dewey. He was a watch officer on the Massachusetts and testified concerning the bombardment of the Colon.

Capt. E. F. Chadwick, who commanded the New York, and was Admiral Sampson's chief-of-staff, was called as a witness in the Schley court this afternoon. He testified concerning the code of signals arranged by Captain McCalla with the Cuban insurgents at Cienfuegos, of which he said Captain McCalla had informed him upon his arrival at Key West on May 19, 1898. He said he could not recall to whom he had communicated the code; that he had not informed Commodore Schley, because Captain McCalla was to return immediately to Cienfuegos, where Admiral Schley was stationed.

Captain Chadwick recalled a conversation he had heard between Admiral Sampson and Commodore Schley at Key West, in which Commodore Schley had told the admiral that he was glad to be under his command and assured him that he would be entirely loyal to him.

Captain Chadwick also said he had heard Commodore Schley tell Admiral Sampson after the latter's arrival at Santiago that it was impossible to blockade the Spaniards at Santiago if they desired to come out.

WRECK AT THE RIVER BRIDGE

PENNSYLVANIA FREIGHT IS IN SMASH-UP.

Broken Axle Derails Several Cars and Two of Them Go Into the River.

A wreck, in which eastbound freight train No. 70 and a westbound extra freight on the Pittsburg were badly mixed up, occurred at 2 o'clock at the St. Mary's river bride. An axle under one of the cars of No. 70 broke and derailed several cars and at the same time the extra train came along and some of the derailed cars were thrown over against it, derailing some of the latter's cars. Two of the cars were thrown over the bridge railing into the river, and will be total wrecks. Fortunately none of the crew were injured. The wreck crew is now at the scene, clearing the tracks, both of which are completely blocked. The cars which went over the bridge were loaded with merchandise and their contents were badly damaged by water.

OUTCRY AGAINST BULLER.

London, Oct. 11.—The storm raised by General Buller's remarkable outburst yesterday continues to grow. The speech is the one topic of discussion and there is general anticipation that disciplinary measures will follow unless General Buller himself takes the advice of such a conservative supporter of the government as the Standard and resigns. The tone of the press is generally of one surprised amazement at his indiscretions. The people of England have generally stuck to him throughout, and his and his wife's social influence has been most powerful and has even reached the court. It had been decided that he would be elevated to the peerage on the next honor list, but it is now doubtful if, after yesterday's confession that he advised the surrender of Ladysmith, "a humiliation compared with which," as the Standard says, "all other reverses of the war would have been trivial," either the king or the people will continue to favor him.

FROM ALL OF THE DELEGATES

SECRETARIES ARE ELECTED BY LUTHERAN COUNCIL.

Report on Missions is Heard by the Session at Lima—Work in Porto Rico.

Lima, Ohio, Oct. 11.—At the biennial session of the grand council of the Lutheran church of North America today President Ransen held that secretaries should be elected from all the delegates in the convention. The ballots were then prepared for both corresponding and recording secretaries in German, English and Swedish.

While the tellers were counting the vote Rev. Ashley Shager, of Philadelphia, chairman of the board of foreign missions, read the biennial report, which showed that missions are being carried on in India and Porto Rico. There are seven principal stations in India, all in the Madras presidency. There are five missionaries, more than one hundred teachers and two native preachers. Arrangements are being made for the erection of a hospital for women in the Rajatmundry and more than $4,000 has been collected by the missionary societies of Philadelphia. In the India missions there are more than 5,000 Christians and 500 children attending Sunday school, and more missionaries are necessary to properly care for the work.

The two papers published by the board, the Missionary Note and the Foreign Missionary, are in a prosperous condition. The work in Porto Rico has been carried on since 1899, when two men were sent there. There are now three in the field in San Juan and Catans. In the former an English congregation has been organized and in the latter church and Sunday schools are conducted in Spanish. Efforts are now being made to secure grounds for churches. This report elicited discussion regarding the administration of foreign missions, which was in progress when the noon recess was taken.

Following recording secretaries were declared elected: English—Dr. S. E. Ochsenford, of Allentown, Pa. German—Rev. G. C. Berkmeyer, of Mount Vernon, N. Y. Swedish Rev. F. A. Johnston, of Chicago.

BUT ONE WARRANT NOW OUT

FOR THE ARREST OF WILLIAM MEYER.

Was Given to the Sheriff This Morning—Mr. Meyer is Not at Present in City.

The affidavit of I. Mautner, charging William Meyer with the embezzlement of $900, money deposited by him with the defendant as president of the Western association, was given by Justice Tancey to Sheriff Stout this morning, but this afternoon the sheriff had not been able to serve the warrant for Mr. Meyer's arrest. From the best information obtainable at the sheriff's office Meyer left the city at 2 o'clock this morning, and has not been seen or heard from since.

Mautner's affidavit was filed with the prosecuting attorney yesterday morning. Late yesterday afternoon it was given to the justice of the peace, and this morning the sheriff received the warrant for the arrest after the bird had flown.

C. J. Strobel, of Toledo, also made affidavit, but, according to the Toledo Times, he had a talk with Meyer on the eve of his departure, and his heart was melted. At Defiance he got off the train and wired the authorities here to withdraw the charge. The affidavit of Walter Wilmot charging Meyer with embezzlement is expected at any time. His claim has been presented through I. Mautner.

DUE TO PTOMAINE POISONING.

Dr. MacBeth has completed an analysis of the food used at supper Sunday evening at the residence of Mr. and Mrs. Robert Hood, 25 West Jefferson street, when the family, together with several boarders, became ill, and finds that the sample of milk submitted to him contained ptomaines, no poison of any kind appearing in the other samples of food. The persons who were ill have all recovered.

NEWS NOT SO GOOD

ADVICES OF MISS STONE ARE NOT REASSURING.

COMES FROM SPENCER EDDY

STATE DEPARTMENT IS VERY RETICENT.

TROOPS SEARCH VILLAGES

ONE OF THE LEADERS OF THE BANDITS SLAIN.

Washington, Oct. 11.—The state department has heard again by cable from United States Consul General Dickinson and Secretary of Legation Spencer Eddy, touching the progress of the negotiations looking to the release of Miss Stone. None of the details were made public, however, and all that can be gathered as to the status of the case is that the conditions are by no means as reassuring as were expected yesterday.

VILLAGES SEARCHED.

New York, Oct. 11.—Three battalions of the Bulgarian infantry regiment marched through the country between Dubnitza and Samnhov and searched the villages of the Rilokloster district, in one of which it was reported the brigands had concealed Miss Stone, says the correspondent of the Journal and Advertiser. Colonel Gaschoff, at the head of a searching party composed of 300 Bulgarian infantry and 500 dragoons, is scouring the ranges of Dospat and the Rhodopegelbirgen. The American consul general at Constantinople has arrived at Sofia with an Evangelical pastor from Philipolis, as dragoman, and both are taking energetic steps with the Bulgarian government to effect Miss Stone's release. The reputed leader of the gang who killed Stambouloff has met his fate. Suspected of being associated in the capture of Miss Stone, he was shot dead on the frontier near Kostendit.

Though £100,000 reward had been placed on the head for the murderer of Stambouloff, Hallo, the name under which he was known, was too influential a ruffian for the Bulgarian police to arrest.

Four additional brigands have been captured near Tschepino and a band of twenty fully armed, were discovered near Dubnitza and driven into the mountains again.

CANADA MAY CHALLENGE.

New York, Oct. 11.—The impression deepens that Canada may make the next try for the America's cup. A special to the Tribune quotes the Ottawa Citizen, summarizing the whole story as regards Canadians trying for the cup, in these words: "Canada's manifest destiny is to send over a yacht to lift that America's cup, which has proved too hefty for pa. Canadian yachtsmen can beat Americans on the rivers and great lakes. Why should they not beat them on the ocean? It is worth trying for and we believe the money could be easily raised to put a Canadian yacht in the race for the America's cup."

NEELY TRIAL IS BEGUN.

Washington, Oct. 11.—The war department is informed that the trial of C. F. W. Neely, on charges of misappropriation of postal funds in Cuba, is now in progress. No law officer of the United States government is engaged in the case, although testimony and depositions taken in this country have been forwarded to the prosecuting officer in Havana. Additional testimony in the case was sent yesterday.

MACHINE GAVE OUT.

Paris, Oct. 11.—Santos-Dumont, the Brazilian aeronaut, made another attempt today to win the Dutch prize, but, owing to an accident to the rudder of his flying machine, he was obliged to return to the starting point after flying fifty yards.

TWO MEN KILLED.

Bay City, Mich., Oct. 11.—Two men were killed and three badly injured this afternoon in the chemical works at Essexville, a village near here.

FOUR KILLED IN WRECK.

Los Angeles, Cal., Oct. 11.—In a head-end collision between a lemon train and a work train on the Colgrove branch of the Santa Monica electric road today, four men were instantly killed and seven injured, five seriously. The accident occurred on a steep grade half a mile east of Sherman. The rails were wet from a fog and a curve shut off the sight of the work train until it was only a few yards distant.

MISSING WOMAN FOUND.

Detroit, Mich., Oct. 11.—What was considered the most important clue to the identity of the woman's body found in the woods near Royal Oak last Sunday was destroyed today when Lizzie effreys, of Appin, Ont., was located in a private hospital in this city alive. She had been missing from Birmingham, the next village to Royal Oak, for several months, and when the badly decomposed body was dug from its shallow grave efforts were immediately begun to identify it as Lizzie Jeffreys. In fact her father and brother had identified the body last night before they heard that a letter had been received from the missing girl dated Detroit. The Royal Oak officers are now absolutely at a standstill in their efforts to identify the body.

GEORGE DOLINSKI HANGED

CHICAGO MURDERER PAYS EXTREME PENALTY.

End of a Remarkable Case—Loved Wife's Sister and Slew Her Husband—Loyal Wife.

Chicago, Oct. 11.—George Dolinski, convicted of murder, was hanged here today.

The crime for which Dolinski paid the extreme penalty was the murder of his brother-in-law, Anton Lisle, a year ago. Dolinski became infatuated with Mrs. Lisle, who was his wife's sister. That his clandestine wooing might not be interfered with Dolinski sent his wife on a visit to her parents in the old country. Lisle, however, became suspicious. November 27 the two men met in a pasture north of Irving park. When the police found Lisle's body there were four bullet wounds in it and the throat was cut. Dolinski was arrested, but declared that he and Lisle had quarreled about money matters and that he had been compelled to shoot his brother-in-law in self-defense. The evidence against Dolinski, which was circumstantial, was sufficient to convince the jury that murder had been done in order that Dolinski might marry Mrs. Lisle. Meanwhile Mrs. Dolinski in Europe heard that her husband had been arrested, but the report said that it was for her own murder. Supposing that she could get him out of his predicament by appearing and thus disproving the charge that he had killed her, Mrs. Dolinski, with her infant, hurried back across the Atlantic and arrived in Chicago, only to discover the real state of affairs. She did not abandon her husband, however, but did all in her power to aid him. She visited him in the jail yesterday and when she learned that the supreme court had refused to grant a supercedeas she fell in a faint. Dolinski made his last confession to Father Rapouse yesterday and spent the night in a barber chair, alternately dozing and gazing at his image in a mirror.

STAYED TWO DAYS

THEN HE DISAPPEARED AND IS YET ALIVE.

HUSBAND OF MRS. WITWER

IS THE ONLY ONE OF FIVE NOW ON TOP OF EARTH.

WIFE WAS ALLEGED POISONER

SHE SECURED DIVORCE WITH CASH OF A VICTIM.

Dayton, Ohio, Oct. 11.—A dispatch from Middletown, Ohio, says the fact has just been developed that Mrs. Mary Belle Witwer, suspected of being a wholesale poisoner, has had five husbands instead of four. John Williams, whose name has not heretofore figured in the affair, left two days after the marriage ceremony had been performed and is the only one of the five husbands living. His present whereabouts are unknown. Mrs. Witwer secured a divorce from Williams on money furnished by Frank Brown, a Middletown paperhanger, who died some time after his marriage to Mrs. Witwer, according to a story related by a son of Mr. Brown.

CALL ON PRESIDENT.

Washington, Oct. 11.—There were few callers at the white house this morning before the cabinet assembled at 11 o'clock. Acting Secretary Adee presented the Colombian minister and Gen. Rafael Reis, formerly Colombian minister to France, now vice president of the republic. The latter spoke briefly to the president of the importance of the approaching Pan-American congress in the City of Mexico, in which he said he thought the United States would be the guiding spirit. Senator Mason, of Illinois, who returns to his home today, called to assure the president that the report that he intended to fight the new canal treaty was entirely erroneous. To the president Senator Mason expressed the hope that the new treaty would be entirely satisfactory. Among the other callers were the Peruvian minister, who was received in the blue parlor; General Deyerforth, commander-in-chief of the Union Veteran union, who invited the president to attend the grand encampment of that organization, which will be held at Chicago October 22 to 25.

STORM IN WESTERN IOWA.

Omaha, Neb., Oct. 11.—Additional reports regarding yesterday's storm in western Iowa show that it was general and that a number of towns were more or less damaged. No loss of life has been reported. At Villisca several buildings were badly damaged. At Shenandoah the deluge of rain following the wind caused the Nishnabotna river to spread over two miles of bottoms, covering the Burlington track and washing out the ungathered crops. The storm passed within two miles of Clifton, Kas., leaving a track from forty to eighty rods wide in which timber, fencing and even houses were swept clear. The house of L. C. Hoar, a farmer, together with the outbuildings, was carried away. The family escaped by taking refuge in the cellar.

DISSENSION AT WATERLOO.

The Waterloo town council recently awarded the contract for a water and light plant to the Olds Construction company, of this city, and lately a number of Waterloo citizens have been agitating for an injunction suit to restrain the Olds company from erecting the plant. The machinery is to be put in the city hall and the kickers claim that the noise of the machinery would disturb public meetings there. The Olds company will commence operations on October 20th providing no injunction suit is filed.

ORDERED TO PANAMA.

Victoria, B. C., Oct. 11.—H. M. S. Amphion, the second largest ship on the Pacific station, has been ordered to Panama by the British admiralty to look after British interests there during the progress of the rebellion. One ship, the Icarus, is already there.

VALUABLE DOG POISONED.

Frank J. Perrey, of Union street, reported to police headquarters this morning that his valuable hunting dog had been poisoned. He said that he had a well defined idea as to who administered the poison, but the superintendent informed him that unless he was in a position to file an affidavit nothing could be done in the matter.

SETON THOMPSON ACQUITTED.

Denver, Col., Oct. 11.—Ernest Seton-Thompson, well known as a writer on wild animals, and John Goff, the guide, who were arrested by Game Warden Bush, in Rio Blanco county, charged with violating the game laws, have been acquitted on trial of the case at Meeker.

MARQUIS ITO BETTER.

Chicago, Oct. 11.—Marquis Ito, who is on a trip around the world, and who was confined to his apartments through illness yesterday evening, was able to visit the stock yards today. His physician said the visit might be taken as a denial of the report that the marquis would be confined to his room.

WILL COME TO FORT WAYNE

NEXT CONFERENCE OF GERMAN LUTHERAN MINISTERS.

Local Clergymen Were Prominent Upon the Program at Lafayette Thursday.

The conference of German Lutheran ministers and teachers, which held its closing session at Lafayette on Thursday, voted to hold its next meeting in Emmaus church, Fort Wayne.

Rev. Luehr, of Zion's church, preached the Wednesday evening sermon, and at the Thursday morning session considerable time was spent in the discussion of the educational work carried on by the congregation and of the schools at Fort Wayne, Ind., and Addison, Ill. A paper was read at the meeting on "Duties of a Pastor at Funerals and His Proper Conduct at Conferences and Synods" by Rev. Prof. Crull, of Fort Wayne college. The paper was well prepared and very interesting. It was followed by a discussion at length by the divines present.

FINAL CENSUS REPORT.

Washington, Oct. 11.—The final census report on the population of the United States by sex, nativity and color was issued today.

It shows that the males number 39,050,242, or 51.2 per cent of the total population in 1900.

The increase of 13,233,631 in total population since 1890 is made up of 6,744,179 males and 6,489,452 females, an increase of 20.9 of males and 31.1 of females.

The foreign born element have increased only 12.4 per cent and the native population 22.5 per cent since 1890. As to color and race the population in 1900 comprises 66,090,802 white persons and 9,312,585 colored persons, the latter comprising 8,840,785 persons of negro descent.

The colored element as a whole shows an increase of 17.8 per cent since 1890.

ADMIRAL SAMPSON BETTER.

Washington, Oct. 11.—Medical reports indicate that Admiral Sampson is recovering from the fatigue of his journey south and that the more favorable surroundings of his present home are working for his betterment. Beyond a little added brightness in his bearing, however, it is stated that his condition remains practically unchanged. The intense headaches from which he suffers recur less frequently than heretofore and this in itself is a great relief to him. The admiral continues to take short walks, accompanied usually by Mrs. Sampson. The principal obstacle in the treatment of his case is said to be a great constitutional weakness, which makes it impossible for his system to respond to the physician's treatment. Recurring periods of absolute forgetfulness also have a depressing effect upon the patient.

GAVE A BAD CHECK.

Mrs. Elizabeth Malot, a boarding mistress at No. 60 Barr street, would like to shake hands with Mr. and Mrs. Cole, who enjoyed the privilege of her house and table last week. On Saturday evening Mr. Cole paid his board bill with a check drawn on the Union bank at Jackson and signed by J. H. Ellis & Co. The check was for $20 and Mr. Cole received thirteen good dollars in change. On Tuesday the check came back dishonored and Mr. and Mrs. Cole have been missing since Monday.

HARRY O. WINNER

FORT WAYNE HORSE TAKES FREE-FOR-ALL PACE.

WON LAST HEAT IN 2:07 1-2

ANOTHER LARGE CROWD AT THE TRACK TODAY.

PROGRAM IS GOING OFF FAST

GOOD DAY'S CARD OFFERED FOR TOMORROW.

Harry O, the fast Centilvre horse, won the free-for-all pace today, unfinished from yesterday. The race was called at noon today, with two heats to the credit of Harry O, two to Sherman Clay and one to Edith W. The Bishop was drawn today. Harry O was in trim and gave his company something to do and the crowd the worth of its money. He won the heat and the race in 2:07½. Edith W was second and Sherman Clay third, the money going as follows: Harry O, Edith W and Sherman Clay.

In the first heat of the 2:16 class trotting Maiborn was first, Dr. Price second, Eddie L third, Brash fourth and Jean fifth. Time, 2:16.

The first two heats of the 2:15 pace were won by Milo S and Frank was second in both. Time, 2:11¼ and 2:11½.

The crowd is large today, but not up to the record-breaking size of yesterday. An ominous sky has served to deter many from going. The track is in good condition.

THURSDAY'S RACES.

Secretary Fleming says that he can show by the books of the old association that yesterday's was the largest paid crowd that ever attended a race at the driving park. That's a pretty tall assertion, but Mr. Fleming said it is absolutely correct and truthful. There were between five and six thousand people present, and they were well repaid for their attendance. There was only one expression of dissatisfaction and that was at the failure to pull off the running race. Running races were advertised as one of the drawing features of the meeting and they certainly proved a great attraction at the gate, but up to this time the association has not kept faith with the people who paid their money to see the show. On the first day the judges, evidently forgetting that the sun sets earlier in October than in July, carried the heppers over until darkness settled so fastly that the horses could not be distinguished on the other side of the track. Yesterday, although there were three half hour waits between heats when the runners could easily have been gotten away, the time was killed in some other way, and after the last heat of the unfinished free-for-all was off and lanterns and searchlights were necessary to move about the grounds, the judge announced that the running race would be postponed until today.

The event on yesterday's card was the free-for-all pace, in which Harry O, of the Centlivre stables, was entered. He had for company Edith W, the fastest mare in the world; The Bishop, who gave Edith W a chase last week at Terre Haute, and Sherman Clay, an outsider that was not supposed to be good for even a sight at the money. Edith was the favorite, but the Centlivre horse was freely backed. The first heat was won by the mare in 2:07½, Harry O being right along side of her, and both were pulling hard and under a free whip, The Bishop coming third and Clay an indifferent fourth.

In the second heat the start was good with the mare having a little the best of it. The horses went under a blanket to the quarter, when Edith let out and took a lead around into the stretch. Then there was some great teaming and when Harry O, under a terrific push came in a nose ahead of The Bishop and Edith W in third place the crowd came near going straight up, and this enthusiasm was increased when the starting judge announced that the time was 2:08¾, just a quarter of a second slower than the track record made in 1893 by Roy Wilkes, and the fastest ever made at home by a Fort Wayne horse. The result of this heat made the Centlivre horse strong on the board and the bookies were a trifle wary about taking too much of his money, and their judgment was well founded, for in the third heat Harry O repeated his performance so far as getting under the wire first was concerned, but the time was six seconds

HARRY O. WINNER

(Continued From First Page.)

slower, a fact that can be explained only by the fact that when the horses came down to score the second time none of them was on his stride and the drivers did not expect to get away; Starter Newton fooled them, however, and sent them away so unexpectedly that they were almost to the quarter before they had their horses going in the race.

The fourth heat developed the surprise of the day and long before the word was given the wise ones knew that there was something doing. Haywood, the driver of Sherman Clay, was called to the judges' stand and fined $25 for unfair tactics in scoring and was obliged to pay his fine before he got back into the sulky; another score was made without a get-away and Judge Newton thereupon announced that he would fine any horse who came down ahead of Harry O and would fine Harry O $25 if he didn't stop them down. That made business good and on the next score they got the word although several were ahead of the pole horse. Sherman Clay, who was a 30 to 2 shot on the board was backed down to 4 to 2, and the block man was not looking for any of his money at that. Clay had been trailing in all the time, and just to show that he did not win by accident he made the other fellows come down in 2:08¾, and he seemed as fresh as a daisy when he went back to the stable. When the horses came out for the fifth heat it was very dusk. They got away well, but could not be seen on the back stretch. Coming to the wire they made a rattling finish, Sherman Clay crossing right ahead of Harry O. The Bishop next and Edith W last. Had the race been finished there is scarcely any doubt but that Sherman Clay would have taken the race, as he showed wonderful endurance, while the other horses, with the exception of Harry O. seemed all in.

The unfinished 2:24 trot carried over from Tuesday was the first number and was called at 12:30, starting promptly at 1 o'clock. Conna, the favorite, who had two heats and should have had the third on Tuesday but for an accident, left the field and won easily in 2:16¼.

In the 2:24 pace the race went to Bourbon in straight heats. He was not a factor in the betting before the race and was not on the entry list, although his entry was proven fair. He was never an easy winner and in each heat simply managed to push his nose under the wire ahead of anybody else.

The 2:20 trot was a walkover for Marlinspike. The first heat was won by Mexican Boy, Red Greenlander, the favorite, coming second and Marlinspike third. The judges announced that all bets were off on that heat owing to the fact that Marlinspike was not driven to win. That the judges were fairly on to their job was developed in the next three heats, which Marlinspike won without much trouble. Greenlander, the favorite, came in second in each of the four heats and got third money for not being able to beat out Mexican Boy in the first heat. Following is the summary:

RACES GO OVER.

Owing to the wet track Wednesday it was necessary to postpone Friday's races until Saturday. All races of the week unfinished will be pulled off tomorrow. The card will be one of the best of the meet. Fort Wayne has never seen better horse races than those of this week and Saturday's events promise to be the best of them all. There is great rivalry in the 2:15 pace, as the kings and queens of that class are at the track ready for the fray.

Besides the regular program, which includes four races, there will be in all probability a couple of unfinished events. The first contest will be called promptly at 12 o'clock.

CURED OF ASTHMA.
After 35 Years of Suffering.

It will be gratifying to Asthmatic readers to learn that an absolute cure has at last been discovered by Dr. Rudolph Schiffmann. That the remedy is an effectual one cannot be doubted after perusal of such testimony as that of G. W. Van Antwerp, Fulton, N. Y., who says:—"Your remedy (Schiffman's Asthma Cure) is the best I ever used. I bought a package of our druggist and tried it and one box entirely cured me of asthma, and I have not had it since. I can now go to bed and sleep all night with perfect comfort, which I have not done before for 35 years, and I thank you for the health that I now enjoy. I hope that you will publish this letter, that others may learn of its wonderful virtues."

IN JUSTICES' COURTS.

Mack Warfield and Agnes Davis, colored people, appeared before Justice France this morning with a brand new marriage license and were united in the holy bonds of wedlock by that functionary.

Two affidavits were filed this morning in Huser's court against Jerry Grabner, an Edgerton saloonkeeper. One charged the sale of liquors to a minor and the other charged the defendant with allowing minors to loiter about his saloon. A constable went to Edgerton this morning to serve the papers and make the arrest.

Waterloo Press: "Fort Wayne can always be relied upon to get up some counter attraction the week of the Angola fair, and this week they have hooked several important horse races."

A team of horses attached to the traction company repair wagon ran away on Calhoun street Thursday, and but for the pluck of Driver Tumbleson several disastrous collisions would have occurred. The horses were finally stopped on Columbia street by a truckman.

A Wig

You don't see very many wigs nowadays. People have been educated how to care for the hair. That's one reason. Another is, Ayer's Hair Vigor makes wigs unnecessary. Nothing its equal for feeding the hair.

"For many years my hair has come out so fast every winter that I had to wear a wig. I tried Ayer's Hair Vigor. It stopped the falling, and made my hair grow so that last winter I did not use my wig at all."

ABOUT THE CITY HALL.

The board of safety last night made some changes in the health department. Sanitary Officer Miller was removed, the other two sanitary officers retaining their positions. At the recommendation of Health Commissioner MacBeth, Drs. M. F. Schick and Clifford J. Wallace were appointed at a salary of $150 a year each as sanitary inspectors. Commissioner MacBeth said he thought that regular physicians could fill the duties of inspector more satisfactorily than laymen and his recommendation was followed. Officer Miller was still on duty this morning and said that he had not been officially informed of his dismissal.

The board of works met in regular session last evening and transacted a lot of routine business. The city engineer submitted plans and specifications for several small sewers in the east end and in Bloomingdale and also for some alley grading. A petition asking that the Fort Wayne Traction company be required to extend its lines south on Broadway was received and filed with a similar petition received at a previous meeting. Some minor assessment rolls were approved, after which the board adjourned.

The special council committee to review the intercepting sewer assessments will hold another meeting at the city hall this evening to continue their investigations.

H. Dicke has been granted a permit to remodel his store on Lewis street at a cost of $700.

The attendance at the Red Ribbon race meet this week seems to argue strongly that Fort Wayne ought to be in the grand circuit again.

Mayor Bookwalter is starting his administration of the municipal government of Indianapolis with considerable decision and good selection of men for office.

With Russia nourishing afresh her ancient ambitions toward Afghanistan, the necessity for maintenance of her enormous armies in South Africa must make Great Britain wish the South African question had been pursued along some other line than absolute conquest.

The British secretary of war announces, in reply to critics of the government's South African policy, that there are now over 300,000 men under arms in the field against the Boers. Yet this mighty force has proved insufficient to overcome a few straggling thousands of Boers. The war secretary's explanation does not explain why the war goes on.

Less was hardly expected of President Roosevelt than that his strong predilections for merit in public office would be displayed early in his administration. He has started admirably and has given spoils-seekers to understand that merit will cut more ice at the white house than the political pull. It is not to be doubted that the president will serve his party well on all occasions, but it is becoming clear that he will not do so at expense to the public service.

The Southwestern interurban line must, as the matter now stands, come down town over a route that no other line can use. Up to date three are three or four other interurban lines projected to this city. If they come, as doubtless sooner or later they will, how are they to be brought into the business district? The city administration and city council have in front of them a problem they will do well not to neglect. The vital interests of this city are too closely related to the interurban question to permit a lagging, indefinite or do-nothing policy to be pursued. Something must be done and the city government must have the larger hand in it. Whatever interurban lines get must come through the government. These are days of opportunity and the city cannot afford to neglect them.

From Havana comes the announcement that all is now in readiness for the trial of postal embezzler Neely. If all is in readiness, very well; but it is to be hoped there is to be no undue haste, no unseemly precipitation in the affair. If all is not in complete readiness, let time be taken until it is. There should be decorum and stateliness of movement, or there can be no majesty of the law. Neely has been under arrest only a year and a half. It may be that sufficent time has been taken to determine if there is reason for further procedure of the case and if Neely is the man who ought to be tried. There is missing from the Cuban postal funds a bagatelle of some hundred thousand dollars, and there has been purported some evidence that Neely could tell where it went. But if there is any doubt about it, the doubt ought to be fully cleared away before preparations for a trial are held to be complete. Mr. C. F. W. Neely has rights under the law that must be respected and should not be sacrificed to any public ravening for justice.

ASPHYXIATED BY GAS.

Philadelphia, Pa., Oct. 11.—Michael F. Greeman, aged thirty-six years, and his son Joseph, aged ten years, were asphyxiated by illuminating gas during last night at the home of Mr. Greeman's brother, where the victims boarded. The boy was found dead in bed this morning and his father was unconscious in a chair. He died later at a hospital. It is believed the electrical attachment to the gas fixture became disarranged, permitting the gas to escape. Mr. Greeman was manager of the publishing house of Henry Altemus & Co. and a singer of some repute.

ARCHIBALD CAMPBELL DEAD

PASSED AWAY TODAY AT THE AGE OF EIGHTY-FOUR YEARS.

John H. Rensman Succumbs to Typhoid Fever—Other Deaths and Funeral Notices.

Archibald Campbell, eighty-four years of age, died at 2 o'clock this morning at the home of his daughter, Mrs. R. P. Thomas, 100 Columbia avenue. Death came as the result of weakness from extreme age.

Mr. Campbell was a native of Scotland, where he was born in 1817. At the age of fourteen he came with his family to Canada, settling in Ontario, within a few miles of Port Huron, Mich. Here he resided until five or six years ago, when upon the death of his wife Mr. Campbell came to Fort Wayne to make his home with his daughter, Mrs. Thomas. He had been bedfast since last February, when he suffered a severe fall.

There are three sons and one daughter surviving. The remains will be taken to his old home at Strathroy, Ont., for interment, leaving Saturday morning in charge of Attorney A. E. Thomas, a grandson of the deceased.

RENSMAN.

John H. Rensman, twenty years of age, died Thursday evening at his home, 120 Fairfield avenue, after an illness of four weeks from typhoid fever. A sister is now prostrated by the same disease.

Mr. Rensman was the son of Bernard Rensman, a grocer on Fairfield avenue, and was well known. He has for some time been associated with his brother, Benjamin Rensman, in the pattern-making business at Superior street and Spy Run avenue. Surviving are the parents, two brothers and three sisters.

Mr. Rensman was a member of the Young Men's Sodality of St. Paul's Catholic church. Funeral services will be held Monday morning at 8:30 from the residence and at 9 o'clock from the Cathedral. The change is made on account of forty-hour devotion being held at St. Paul's church.

FUNERAL ANNOUNCEMENTS.

Engelbrecht.—The funeral of Miss Louise Engelbrecht will take place Saturday afternoon at 12:30 o'clock from the residence of the family in Adams township, and at 1:30 o'clock from Stock's church.

Simmons.—The funeral of Peter L. Simmons will take place from the residence of the family, 548 Lafayette street, Saturday afternoon at 2 o'clock, and will be under the auspices of Fort Wayne lodge No. 14, I. O. O. F.

THE NEWS OF THE POLICE

Jacob Oppenheimer was before Judge Louttit in police court this morning, charged with being drunk. He pleaded guilty to the charge, but was allowed to go on promise of good behavior.

Phillip Wilson, home Angola and business in Fort Wayne to see the races, was arraigned. He was charged with intoxication. He said he would have to go to jail unless the court would accept his check on the Angola bank. The judge took his word and a check for $11.

Jesse Felker came near making a successful plea for clemency on a charge of drunkenness, but went too far. He announced that he had been needlessly arrested, whereupon police officers witnessed that he had been very drunk, very boisterous and quarrelsome. He went to jail for eleven days.

No cases of pocket-picking or bunko-steering have been reported to the police this week. Superintendent Gorsline feels much gratified that race week is going off so well.

ABOUT THE COURT HOUSE

Deputy Sheriff Reichelderfer and wife left for Richmond this morning, having in charge Eva Henderson, committed to the insane asylum at that place.

In the circuit court the trial of the case of Gottlieb Brudi, of New Haven vs. the Decatur Egg Case company, is on trial before the court. The plaintiff charges the defendants with having violated a contract regarding the sale of some timber and asks for an injunction.

The case of George Richards vs. the Government Building and Loan association has been venued to the circuit court from Huntington county.

The county commissioners were today wrestling with ditch problems. For the Bauserman ditch, in Madison township, on remonstrance, Henry Rockhill, John Rapp and Jacob Barclay were appointed reviewers. For the Carnahan joint ditch, between Allen and DeKalb counties, on remonstrance, F. W. Bleke, Charles H. Parker and William Reichelderfer were appointed reviewers. For the Young ditch, petitioned for in St. Joseph township, John Boger, J. F. Werts and Rufus Loechner were appointed viewers. For the Werling ditch, in Adams township, John McIntosh, Christian Gebert and Jacob Hake were appointed viewers. For the Bishop ditch, petitioned for in Milan township, Michael Sheridan, Martin Denzel and J. H. Beuter were appointed. An amendment for the Mills ditch, in Lafayette township, was granted, and on the Vandeau ditch, in St. Joseph township, the report of the reviewers, adverse to the ditch, was approved and the ditch was not established. The Tilman ditch, in Jackson township, is being fought and it is probable that reviewers for this ditch will also be appointed before the board adjourns.

THE GAME TOMORROW.

Tomorrow afternoon at League park the Fort Wayne and Lagrange high school football teams will contest, and the game will have extra interest because of the fact that the Lagrange team will be the first eleven from out of the city to play the local high school team this season. Last Saturday Lagrange defeated Kendallville by a score of 16 to 0, and as Kendallville is known to have a strong eleven, the "rooters" will have a line on what to expect tomorrow. The high school team indulged in light practice this afternoon, so as to be in good shape for tomorrow's contest. While a trifle weak on the defensive the team is very strong on offensive work and has excellent interference. The game will be called at 3 o'clock and the high school lineup of the two teams will be as follows:

McCormick	R. E.	Schrock
Nutting	L. G.	Trimble
Ginty	R. T.	Blough
Tigar	C.	Ballou
Miller	L. G.	G. Haskins
Sweet	L. T.	L. Haskins
Olds	L. E.	Duff
Parry	Q. B.	Fruip
Wilt	F. B.	Shaplin
Preston	L. H. B.	Free
Dunton	R. H. B.	Antonides

A party of about forty surprised Mr. and Mrs. C. C. Schlatter at their home last evening, in honor of their twenty-fifth wedding anniversary. Games and music were the amusements of the evening and the hours were passed most enjoyably.

Mrs. S. Pottlitzer has returned from a visit of several months and is now at home with her sister, Mrs. Levington, 76 West Jefferson street.

Races tomorrow called at 12 o'clock.

CHIEF OF MORMONS IS DEAD

PRESIDENT LORENZO SNOW EXPIRES SUDDENLY.

Was Eighty-Seven Years Old—Known in Every Part of the Globe —Led His People to Utah.

Salt Lake City, Utah, Oct. 11.—Lorenzo Snow, the fifth president of the Mormon church, died unexpectedly at his private residence, the historic Bee Hive house, at 3:35 o'clock yesterday afternoon, after an illness that had been serious only a day. The immediate cause of death was hyposthatic congestion, superinduced by aggravated bronchitis.

JOSEPH SMITH NOW HEAD.

President Snow's death caused a shock to the entire community and is deeply deplored by all classes. He was regarded as a broad-minded, generous-hearted man, who desired the upbuilding of Utah as well as the progress of the Mormon church. His death dissolves the first presidency, of which he was the head, his two counselors being Joseph Smith and Rudger Clawson. Until his successor is chosen, which may not be until the annual conference next April, the leadership of the church will devolve upon the council of twelve apostles, of which body Mr. Smith is the recognized head. Unless death should come to him in the meantime Mr. Smith will be the next president of the church.

The church leaders will probably meet tomorrow and make arrangements for the funeral.

LEAVES BIG FAMILY.

President Snow leaves a large family, the members being scattered throughout the world. All have been notified of his death. Four wives survive him. One was a favorite and lived in a palace, while the others dwelt in miserable hovels.

Lorenzo Snow was born in Mantua, Portage county, Ohio, April 3, 1814, and received a classical education at Oberlin college. He became a convert to Mormonism in 1836 and immediately began proselyting. Since then he has been one of the most active and prominent members of the church organization. He has been on numerous foreign missions, the most important being that to Great Britain in 1840, where he became president of the London conference.

In 1848, at the head of a train of 100 wagons, Snow made the overland trip from Illinois to the present site of Salt Lake City, and in all the work of founding and building up this city he was a leader. For thirty years, commencing with 1852, he was a member of the territorial legislature, chiefly as presiding officer of the upper house. In 1855, with fifty families, he founded and named Brigham City, in northern Utah, which was his home for many years. In 1886, during the agitation against polygamy, he was convicted of unlawful cohabitation and sentenced to three terms of six months each, but later was released on a writ of habeas corpus. On September 13, 1893, he was chosen as president of the church in succession to Wilford Woodruff.

REVOLUTIONISTS WIN FIGHTS.

New York, Oct. 11.—Advices from Ciudad, Bolivar, announce that the Venezuelan revolutionists commanded by General Geronimo Rivas have attacked and defeated the Venezuelan government troops under General Arostegue, near Barrancas, in the state of Bermuese, and that General Arostegui has been taken prisoner. It is further announced that the Venezuelan troops have joined arms with the revolutionists. Government troops from San Felix, commanded by General Africano, sustained a defeat near that town at the hands of the revolutionists under General Vidal. General Africano escaped to San Felix.

TWIN TROUBLES.

They are Often Together These Days —They Work Havoc All Over the Country and in Fort Wayne.

Weak, nervous, the digestion out of order—that is what ails a host of people. It comes about in this way: First, from overwork or other causes the nerves are burdened beyond endurance, nerve waste is not replaced, nerve force is weakened, then the stomach loses its nerve-controlling power, and indigestion follows with failing strength. When first Dr. A. W. Chase's Nerve Pills came to Fort Wayne people could hardly be convinced that this great medicine would remove these troubles. Now it is an accepted fact, because of their cure of every stubborn case no other medicine would influence.

Mrs. J. Loemmle, of No. 52 Barr St., Fort Wayne, Ind., says: "From a faithful use of Dr. A. W. Chase's Nerve Pills in my house with a relative whose stomach was very weak and would hardly retain food when eaten, though hungry at all times, and the results obtained in the making strong of the stomach and indigestion again with an ability to retain food eaten, I can recommend the medicine to others affected in a like manner as reliable, safe, certain and easy of action. Meyer Bros. & Co., of 14 Calhoun St., are to be commended for introducing them."

Dr. A. W. Chase's Nerve Pills are sold at 50 cents a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.

WEDDINGS WERE CHARMING

MISS LOUISE RANDALL BECOMES MRS. F. A. SAWYER.

Miss Ethel Pierce and Alexander Starr Reid are Wed—Other Nuptial Events.

One of the most beautiful and elaborate weddings ever solemnized in the city was that which occurred Thursday evening at 7 o'clock at the residence of Mrs. Julia Fay Randall, on Maple avenue, when her charming daughter, Miss Elizabeth Louise, became the bride of Frank Almon Sawyer, of New York. Every appointment was in rich but tasteful elegance, the gowns of the ladies were unusually exquisite, and the company was a large and beautiful one. Rev. J. N. Field, of the First Baptist church, was the officiating clergyman.

The floral decorations by Miss Flick were elaborate and in charming taste. Southern smilax covered chandeliers, mirrors and mantels, hung in festoons in the stairways and fireplaces and formed portieres by some bright coloring. The hall was done in green, meteor roses contrasted in the library, pink prevailed in the sitting room, while the parlor in which the ceremony was performed was entirely in white and green. Ropes of smilax extended from every part of the room to the chandelier and also marked a place for the bride and groom to stand. White pedestals were used to uphold the smilax and better mark the pathway of the bride. Over the heads of the bride and groom hung three wedding bells made of smilax and white or pink roses. After the benediction a shower of rose leaves fell on the heads of the bridal couple. The letters P. and S formed a monogram in carnations and was suspended in an archway between the rooms. The lights were shaded with green and white roses mingled with the smilax in all parts of the room.

The bridal march, played by Reinicke's orchestra, was from "Lohengrin," and the entrance of the bridal party was cleverly planned. As the bride's mother came down the great stairway followed by the groom with his best man, Henry C. Leonard, of New York, and Rev. Field, ten ribbon bearers took their position in the sitting room while the others entered the parlor to await the bride and her attendants. The ribbon bearers were Ednah Randall, of Avilla; Edith Emmeline Sawyer, of Boston, and Mildred and Ruth Flick, May, Mary and Phyllis Randall, Katherine Vesey, Belle Wilson and Marion Leonard, of this city. They were dressed in white, with sashes and bows corresponding with the colors of the bridesmaids' gowns.

Next came the groomsmen, Messrs. E. F. Sawyer, of Boston, brother of the groom; Dexter Lareum, of New York; Donald Hayden, of Indianapolis, and Cornelius Smith, Dr. Edward Hartman and Charles Zollars. They were followed by the bridesmaids, Miss Mary Randall, of Avilla; Miss Ruth Fisk, of Lincoln, Ill.; Miss Blanche Sawyer, of Boston; Miss Kate Ashburn, of Suffolk, Va.; Miss Nannie Williams, of Fort Wayne, and Miss Virginia Mosby, of Oxford, Miss. Miss Anna Randall, sister of the bride, was maid of honor, and following her were two flower girls, Marguerite Flick and Virginia Randall, who were gowned in white and held baskets of pink and white roses, which they scattered before the bridal couple after the ceremony.

The lovely young bride, walking with her brother, Fay P. Radall, presented a most charming appearance. She was attired in an exquisite creation of pearl white bridal satin, with the yoke and lower sleeves of the bodice embroidered in pearls. Panels of Irish point lace were used on the demi train skirt, and a bertha of the same lace appeared on the bodice. Small ruchings of liberty silk were used as finishing touches and the veil was fastened to the hair with orange blossoms. She held a shower boquet of lilies of the valley.

Miss Anna Radall, the maid of honor, wore a charming gown of pale blue point d'esprit made over blue silk. The entire front of the skirt and bodice was trimmed with forget-me-nots. The bodice was cut decollette, and the bertha of Brussels point was edged with the same flowers. A shower bow of pale blue satin ribbons upon the left shoulder and a sash of the same contributed to the pretty effect.

The six maids wore Queen Louise gowns of crepe de chine in different hues, to carry out the scheme of autumnal coloring. Miss Randall wore pink, Miss Fisk lavendar, Miss Sawyer old rose, Miss Ashburn Nile green, Miss Williams yellow, and Miss Mosby light blue. They wore wreaths of smilax in their hair and carried garlands of natural carnations to match their gowns. The flowers were unusual and carried out the idea of a rainbow wedding.

Mrs. Randall, mother of the bride, wore a very handsome gown of viole brocaded silk, with ground work of white and the brocaded design in pink and green. Partially covering the trailing skirt was a circle flounce of white chiffon, trimmed with bands of the silk and edged with black lace and green velvet ribbon. Adding to the beauty of the bodice were a bertha of duchesse point and a trimming of velvet bows and loops of two shades of green. The upper portin of the bodice was a guimp of bead embroidery harmonizing with the colors of the gown.

Following the impressive ceremony Seidel served an elaborate supper in the beautiful dining room, where roses were in profusion on all the tables. The out-of-town guests were seated with Mrs. Randall at supper and other guests were served from small tables placed in the different rooms. The little flower maidens had a table to themselves in the conservatory.

Previous to the ceremony Mr. and Mrs. A. L. Randall received the guests in the hall, and Mr. and Mrs. Frank Randall and Mrs. Charles Guild received in the sitting room. During the reception which followed the ceremony the ladies assisting were Mrs. Jennie Ray Ormsby, Mrs. Frank Randall, Mrs. A. L. Randall, Mrs. Charles Guild, Mrs. Piper and Miss McCracken.

The wedding gifts were rich and in elaborate profusion, and the bride gave her guests pretty souvenirs of the occasion. During the evening Mr. and Mrs. Sawyer left for New York, where they will be at home after December 1 at 50 Morningside avenue.

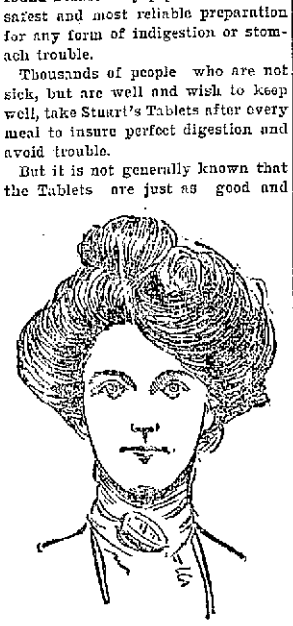
FOR THE CHILDREN.

To Keep Their Digestion Perfect Nothing Is so Safe and Pleasant as Stuart's Dyspepsia Tablets.

Thousands of men and women have found Stuart's Dyspepsia Tablets the safest and most reliable preparation for any form of indigestion or stomach trouble.

Thousands of people who are not sick, but are well and wish to keep well, take Stuart's Tablets after every meal to insure perfect digestion and avoid trouble.

But it is not generally known that the Tablets are just as good and



wholesome for little folks as for their elders.

Little children who are pale, thin and have no appetite, or do not grow or thrive, should use the tablets after eating and will derive great benefit from them.

Mrs. G. H. Crotsley, 538 Washington St., Hoboken, New Jersey, writes: "Stuart's Dyspepsia Tablets just fill the bill for children as well as for older folks. I've had the best of luck with them. My three-year-old girl takes them as readily as candy. I have only to say 'tablets' and she drops everything else and runs for them."

A Buffalo mother, a short time ago, who despaired of the life of her babe, was so delighted with the results from giving the child these tablets that she went before the notary public of Erie Co., N. Y., and made the following affidavit:

Gentlemen:—Stuart's Dyspepsia Tablets were recommended to me for my two-month-old baby, which was sick and puny and the doctors said was suffering from indigestion. I took the child to the hospital, but there found no relief. A friend mentioned the Stuart Tablets and I procured a box from my druggist and used only the large sweet lozenges in the box and was delighted to find they were just the thing for my baby. I feel justified in saying that Stuart's Dyspepsia Tablets saved my child's life.

MRS. W. T. DETHLOFE.

Subscribed and sworn to before me this 12th day of April, 1897.

HENRY KARIS,
Notary Public in and for Erie Co., N. Y.

For babies, no matter how young or delicate, the tablets will accomplish wonders in increasing flesh, appetite and growth. Use only the large sweet tablets in every box. Full sized boxes are sold by all druggists for 50 cents, and no parent should neglect the use of this safe remedy for all stomach and bowel troubles if the child is ailing in any way regarding its food or assimilation.

Stuart's Dyspepsia Tablets have been known for years as the best preparation for all stomach troubles whether in adults or infants.

THE MARKETS.

Chicago, Oct. 11.—Bulls found comfort in the small improvement in the condition of the corn crop as reported by the government bureau. An increase of at least five points had been expected and when the report gave a condition of 82.1 for October, against 81.7 for September, an advance in prices was the result. December opened ⅞ to 1c higher, at 56¾@56⅞c, under this influence and on higher cables, and on a free covering by shorts the price rose to 57c. There was some outside buying and a general improved tone to corn speculation, but with the advance large quantities began coming out. These the market took easily, owing to the considerable shortage out, but after a time prices eased off and December sold at 56⅞c. Receipts were 230 cars.

Continued large liquidations brought December corn down early to 56½c, but all offerings were quickly taken up by shorts and December reacted to 57⅛c, closing firm, ⅛c higher, at 56⅝c.

Wheat had a firm undertone under the influence of the bulge in corn and on higher cables. Offerings were not large and December opened ½ to 1c advanced, at 69½@69⅝c. There was a good deal of early buying to protect shorts and to take advantage of a small turn the market might take, but later this came out again in liberal quantities so that opening prices held during the first hour. Local receipts were 167 cars, one of contract grade, Minneapolis and Duluth received 846 cars, making a total for the three points of 1,013 cars, against last week's 1,033 and 704 last year. Argentine shipments this week were 200,000, compared with 944,000 bushels a year ago.

Wheat gained almost as much from the government report as corn and December advanced rapidly to 70½c on covering, closing strong, ⅝c higher, at 70c.

The government report gave an improved condition for oats, but influenced by the corn bulls December opened unchanged at 35⅝c. Later, on free offerings and a consideration of the crop decrease the price eased to 35½c. Trade was light. Receipts were 127 cars.

Provisions were heavy, selling at the lowest point since the early advance. Hogs were stronger, but continued liquidation depressed prices. January pork opened 7½c up at $16.00 and sold to $15.87½; January lard 5c lower at $8.35, and January ribs 6c lower to unchanged at $7.75@7.80 and sold to $7.72½.

THE DAY ON WALL STREET.

New York, Oct. 11.—The animated strength of yesterday's late market was lacking this morning and the opening advance, which did not exceed a point in any important stock, met large realizing. The dealings were large in the Pacifics, United States Steel and Amalgamated Copper. There were slight fractional declines in Missouri Pacific and the Erie. General Electric jumped 4 points.

Denials of the rumored consolidation plan forced Northern Pacific down 1 and Great Northern preferred 4. Their weakness accelerated the decline elsewhere, which reached a point in Missouri Pacific. Large purchasing then appeared for Erie and St. Paul, the latter rising to 160½. Western, Pacific and Northwest stocks all improved. Great Northern preferred recovering its loss. Prices did not hold long as Brooklyn Transit was depressed below 60, and Sugar lost a point, which affected the other stocks.

Trading became very dull on the decline, but there was no abatement of pressure against the leading stocks, some of which were at the lowest. The reaction from the highest ran from 1 to 2½ in Sugar, Amalgamated Copper, Brooklyn Transit, St. Paul, New York Central and Missouri Pacific.

Colorado Fuel sold 2 points below yesterday and Pressed Steel Car preferred 1½. Some stocks were exceptionally strong, notably General Electric, which increased its gain to 5½. Denver, Rio Grande, St. Paul preferred, Hocking Valley preferred, Rock Island, Sugar preferred, Minneapolis and St. Louis, Rubber goods and New York, Chicago and St. Louis rose 1@2 points. At noon the market was steadying in spots. St. Paul rallied to 161, Great Northern preferred fell back 2½ below last night.

There was profit-taking which carried St. Paul, Union Pacific, Missouri Pacific and Sugar stocks back about a point. Amalgamated Copper dropped below last night's level. Southern Pacific continued to advance, rising 2 points in all. The rise was taken up again in the late dealings, St. Paul rising to 157. Brooklyn Transit, Manhattan, Sugar, the Pacifics and some other stocks rose to the highest. St. Paul fluctuated very favorably at the close, which was somewhat unsettled and at about steady at the top.

The market was very spotty during the noon hour. St. Paul and Rock Island increased their gains to 3 points and Union Pacific crossed 99. The strength of these stocks was utilized as a cover for realization elsewhere, but the losses were not important. C., C., C. & St. L. and Lackawanna were a point higher.

The enormous purchases of St. Paul threw the short interest in the stock into demoralization and their furious competitive bidding ran the price up 5⅝ to 164¾. Large amounts of Atchison and the Pacifics were also bought. Union Pacific bringing 100½. St. Louis Southwestern preferred lost 1⅛ on its unfavorable earnings. Prices generally ruled at the top level, but aside from the Western, Pacific and Trunk lines and a few industrials the gains over yesterday were small. Prices were lower again toward the end of the hour.

A fall of hail to the average depth of one inch over a region four miles wide and eighteen miles long is a fall of 167,340,000 cubic feet of ice weighing nearly 1,000,000 tons. The average elevation from which it fell may be taken as 5,000 feet. All the mass that fell must previously have been raised to that level; that is, 1,000,000 tons must have been raised 5,000 feet or 5,000,000 foot tons of work must have been done, which corresponds to the work of an engine of a million horse power working for five hours.

In the higher regions of the Cordilleras refuge huts have been erected for the postmen who have to make their rounds till late in the winter. Even thus some of these men perish every winter, if overtaken by a storm lasting several days.

YOURS FOR THE ASKING—A FREE

SATIN SKIN

That most exquisite, dainty, refining, revivifying beautifier; SATIN-SKIN POWDER. Adhesive, invisible, harmless, this impalpable, hygienic complexion powder is only one made that doesn't clog the pores, because of its fluffy ingredients. LADIES, please LISTEN:

It is a fact that previous to the advent of SATIN-SKIN Powder many ladies who knew the daily need of a hygienic facial powder to remove that "shiny look," make a presentable appearance for dress occasions, have done without. They felt fearful of the results attending use of ordinary powders, too many of which are known to contain lead, lime, bismuth and metallic salts. While these lend a temporary brilliancy to the skin, they insidiously deaden, darken and destroy its delicacy beyond repair. It remained for Albert F. Wood, Perfumer, Detroit, Mich., the compounder of his FAIR SKIN Cream, unimpeachably admitted the most perfect article of its kind, to achieve success in manufacturing a hygienic complexion powder. SATIN-SKIN Powder is recommended by leading chemists and physicians as the only powder they have examined which does not clog the pores. You are now cordially invited to call at our store and obtain a FREE packet of SATIN-SKIN Powder. You will be very welcome, and positively not asked to buy.

In fact, you are requested to compare SATIN-SKIN Powder with any you have or know of. For oily, red, rough, tedenic skin, as well as all dress occasions, SATIN-SKIN Powder will be found a refining, beautifying corrective. Gives dainty, alluring freshness and clear beauty to the skin that must be seen to be appreciated.

CAUTION—Beware of so-called "talcum," it's ground soapstone and foot powder, unfit for facial use.

SATIN-SKIN is a genuine complexion powder. Positively without lime, lead or any injurious ingredient. Use it with confidence and safety, with the assurance it is the most perfect article of its kind, to achieve success in manufacturing any complexion powder. SATIN-SKIN Powder is recommended by leading chemists and physicians as the only powder they have examined which does not clog the pores. CATARRH

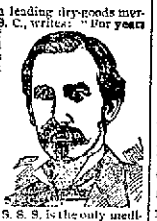
Catarrh has become such a common disease that a person entirely free from this disgusting complaint is seldom met with. It is customary to speak of Catarrh as nothing more serious than a bad cold, a simple inflammation of the nose and throat. It is, in fact, a complicated and very dangerous disease; if not at first, it very soon becomes so.

The blood is quickly contaminated by the foul secretions, and the poison through the general circulation is carried to all parts of the system.

Salves, washes and sprays are unsatisfactory and disappointing, because they do not reach the seat of the trouble. S. S. S. does. It cleanses the blood of the poison and eliminates from the system all catarrhal secretions, and thus cures thoroughly and permanently the worst cases.



Mr. T. A. Williams, a leading dry-goods merchant of Spartanburg, S. C., writes: "For years I had a severe case of nasal Catarrh, with all the disagreeable effects which belong to that disease, and which make life painful and unendurable. I used medicines prescribed by leading physicians and suggested by numbers of friends, but without getting any better. I then began to take S. S. S. It had the desired effect, and cured me after taking eighteen bottles. In my opinion S. S. S. is the only medicine now in use that will effect a permanent cure of Catarrh."

SSS is the only purely vegetable blood purifier known, and the greatest of all blood medicines and tonics.

If you have Catarrh don't wait until it becomes deep-seated and chronic, but begin at once the use of S. S. S., and send for our book on Blood and Skin Diseases and write our physicians about your case.

GRUESOME FIND AT BUCYRUS

UNKNOWN MAN LYING DEAD ON RAILWAY TRACKS.

The increase in traffic on the Pittsburg, Fort Wayne and Chicago road has created a necessity for an increase in the train and engine crews and yesterday ten firemen were promoted to engineers and as many more were advanced from the extra to the regular list. The following engineers who had been firing during the dull months of the summer were given regular positions at the throttle: F. W. Paul, C. D. Rider, G. C. Burchard, E. L. Tenney, C. M. Somers, L. M. Kyler, D. Baltzell and F. M. Jamey. As stated in previous issues of The Sentinel, business on the Pittsburg road is very heavy and there is reason to believe that it will continue throughout the fall and coming winter.

EXCURSION TO FORT WAYNE.

Next Thursday the Grand Rapids and Indiana road will run its annual excursion from Grand Rapids and points south of that city into Fort Wayne, and an official said this morning that indications pointed to a crowd of about 600. These excursions are a good thing for the merchants and should be encouraged in every possible way.

DIED IN MISSOURI.

The Emporia Gazette contained the following account of the death of a young man who once resided in this city: "Jesse B. Gorrell, son of Conductor S. R. Gorrell, of the Santa Fe, died Friday morning in Birds Point, Mo., of typhoid fever, after a six weeks' illness. He was born in Fort Wayne, Ind., twenty-six years ago and came to Emporia fourteen years ago. He has been in the employ of the St. Louis and Southwestern railway for several years. He was a well known Emporia boy and those that knew him well loved him most. He leaves a father, mother, four sisters and three brothers to mourn his loss."

WILL RECOGNIZE MERIT.

Washington, Oct. 11.—There was a slight falling off in the number of President Roosevelt's callers today. Representative Thompson, of Alabama, presented Capt. John B. McDonald, of the Third cavalry, who is an applicant for a brigadier generalship. Captain McDonald was wounded in the Philippines last spring while assaulting a force of insurgents under General Tino, whom he captured. Representative Thompson said the president informed him he believed in rewarding officers for exceptional service and should not hesitate, if the occasion warranted, to do so by jumping them over their superiors. Senator Dietrich, of Nebraska, talked to the president about Nebraska appointments and also briefly about the situation in the Philippines, whence he has recently returned. Senator Dietrich is of the opinion that civil government is being extended too rapidly throughout the islands. He thinks the natives who massacred the company of soldiers in Samar were refugees who had been driven out of Luzon by the military authorities.
